

Dear Sir

Letter of objection to S62A/2023/0019

This is a ridiculous application given the congestion that occurs in all the estates that Roseacres leads to. E.g., Gorefeld, St Valery and so on during term time. Not to mention the road damage.

Parsonage Road already suffers 400 tipper lorries per day speeding through to the relevant quarries because the drivers are paid by the load. This road is just about to be re surfaced.

We have three quarries, an airport, a direct line railway station and already a population of over 7000! These amenities attract usage from many miles around.

We are just about at breaking point when this will no longer be 'Takeley', it will become 'Weston'!

If this builder gets permission for this application, it will be the thin edge of the wedge.

It is common knowledge how much land this company owns around here.

Please for the sake of the nation refuse this application.

Yours faithfully

Mrs J Bradley
