

Template supporting statement

Application for a non-molestation or occupation order (FL401)

Please read the guidance on the first page of this template carefully.

Do not print or include this first page when submitting your statement and application.

This template is designed to help you provide all the information that is needed from a supporting statement by the court. You must submit a statement but you do not need to use this template if you would prefer to write your own. However, you may still find the guidance helpful.

You should complete your statement, along with an 'FL401' application form and take or send both to the court you are applying to by post or email.

1. The template consists of statements that you need to complete either by providing the necessary information or by ticking the appropriate box.
2. If you are not applying for an occupation order, you should not tick the box when asked in the introduction and leave the occupation order section blank.
3. The last page in this document is a template coversheet for any exhibits you submit. An exhibit is another document that you would like the court to see as part of your evidence. This could be:
 - medical reports
 - social services reports or letters
 - print outs of text messages
 - emails

If you do not want your contact details to be shared with the respondent, do not include your address or any other contact details in any exhibits.

Only include a coversheet if submitting an exhibit – one coversheet for each exhibit.

You'll find more guidance in on the right-hand side of each page as you complete this statement. Visit www.advicenow.org.uk/statement-injunction for further help and advice.
