## PREAMBLE

The United Kingdom of Great Britain and Northern Ireland (“the United Kingdom”) and New Zealand, hereinafter each individually referred to as a “Party” or collectively as the “Parties”,

**CONSCIOUS** of their longstanding and strong partnership based on common principles and values, and of their important economic, trade, and investment relationship;

**RESOLVING** to strengthen their economic relations, further liberalise and expand bilateral trade and investment;

**SEEKING** to establish clear and mutually advantageous rules governing their trade and investment, to promote a predictable business environment and open and fair competition, and eliminate barriers between them;

**RECOGNISING** the unique relationship that exists between Māori and the United Kingdom, noting that representatives of the British Crown and Māori were the original signatories to Te Tiriti o Waitangi/The Treaty of Waitangi whilst acknowledging that the New Zealand Crown has now succeeded the British Crown and assumed all rights and obligations under that Treaty;

**ACKNOWLEDGING** that Te Tiriti o Waitangi/The Treaty of Waitangi is a foundational document of constitutional importance to New Zealand;

**DETERMINED** to build on their rights and obligations under the WTO Agreement and other international agreements relating to matters covered by this Agreement to which both Parties are party;

**RESOLVING** to promote transparency, good governance, and the rule of law, and prevent and combat bribery and corruption in international trade and investment;

**RECOGNISING** the Parties’ respective autonomy and right to regulate within their territories in order to achieve legitimate public policy objectives such as the protection and promotion of public health, public morals, animal welfare, labour standards, safety, the environment including climate change, and in the case of New Zealand meeting its Te Tiriti o Waitangi/The Treaty of Waitangi obligations;

**RECOGNISING** the importance of mutually supportive trade and environmental policies and of taking urgent action to protect the environment, reaffirming each Party’s commitments under multilateral environment agreements including the *United Nations Framework Convention on Climate Change* (UNFCCC) and the *Paris Agreement*;

**SEEKING** to increase women's access to and ability to fully benefit from the opportunities created by this Agreement and to support the conditions for women to participate equitably in global, regional, and domestic economies;

**RECOGNISING** the value of Māori leadership and economy, and the challenges that exist for Māori in accessing international trade and economic opportunities, including in digital trade;

**RECOGNISING** that small and medium-sized enterprises contribute significantly to economic growth but often face barriers to trading internationally and require support to participate in and benefit from the opportunities created by this Agreement;

**AFFIRMING** the importance of coherent and mutually supportive trade and labour policies, including the promotion of adherence to internationally recognised labour rights, and of full and productive employment and decent work for all;

**SEEKING** to emphasise the importance of sustainable development in promoting inclusive economic growth;

**RECOGNISING** the importance of promoting consumer protection to enhance consumer trust and participation in trade, including online, as well as encouraging cooperation between relevant authorities;

**NOTING** the importance of facilitating new opportunities, addressing unjustified barriers, promoting trust and certainty for businesses and consumers in digital trade, including by cooperating on digital innovation and emerging technologies to ensure this can be achieved;

**RECOGNISING** the importance of ensuring certainty for service suppliers, including by enabling the temporary entry of business persons to supply services in each of the Parties' territories; and

**SEEKING** to ensure emerging and future trade and investment challenges and opportunities are addressed, and the Parties' priorities are further advanced over time,

**HAVE AGREED** as follows:

Unless otherwise provided for in this Agreement, neither Party shall accord to a remanufactured good of the other Party a treatment that is less favourable than that it accords to a like good in new condition, provided such remanufactured good enjoys a similar warranty to a like good in new condition. Each Party may require that a remanufactured good is identified as such for distribution or sale.
2. If a Party adopts or maintains import and export prohibitions or restrictions on used goods on the basis that they are used goods, it shall not apply those measures to remanufactured goods.

**Article 2.12**  
**Import Licensing Procedures**

1. Each Party shall ensure that its automatic and non-automatic import licensing procedures are implemented in a transparent and predictable manner, and applied in accordance with the Import Licensing Agreement.

2. Each Party shall notify the other Party of any new import licensing procedures and any modification to its import licensing procedures. A Party shall do so 60 days before the new procedure or modification takes effect, whenever practicable. In no case shall a Party provide the notification later than 60 days after the date of its publication.
3. A Party shall be deemed to be in compliance with paragraph 2 with respect to a new or modified import licensing procedure if it notifies that procedure to the WTO Committee on Import Licensing provided for in Article 4 of the Import Licensing Agreement, including the information specified in Article 5.2 of the Import Licensing Agreement.
4. A Party shall publish on an official government website any new or modified import licensing procedure, including any information that it is required to publish under paragraph (a) of Article 1.4 of the Import Licensing Agreement. To the extent possible, the Party shall do so at least 21 days before the new procedure or modification takes effect.
5. At the request of a Party, the other Party shall promptly provide any relevant information, including the information specified in Article 5.2 of the Import Licensing Agreement, with regard to any import licensing procedures that it has adopted or maintains, or changes to existing licensing procedures.
6. Each Party shall respond within 60 days to enquiries from the other Party or traders regarding the criteria employed by its respective licensing authorities in granting or denying import licenses.

**Article 2.13**  
**Export Licensing Procedures**

1. Each Party shall consider the application of other appropriate measures to achieve an administrative purpose when seeking to adopt or review an export licensing procedure.

3. Within 30 days of the date of entry into force of this Agreement, each Party shall notify the other Party of its existing export licensing procedures.   - (g) the period during which each export licensing procedure will be in effect, unless the procedure will remain in effect until withdrawn or revised in a new publication;
  - (h) if the Party intends to use an export licensing procedure to administer an export quota, the overall quantity and, if practicable, value of the quota and the opening and closing dates of the quota; and
  - (i) any exemptions or exceptions that replace the requirement to obtain an export licence, how to request or use those exemptions or exceptions, and the criteria for granting them.
5. For greater certainty, nothing in this Article requires a Party to grant an export licence, or prevents a Party from adopting, maintaining, or implementing a domestic export control regime and sanctions regime, or from implementing its obligations or commitments under United Nations Security Council Resolutions, as well as multilateral non-proliferation and export control agreements and arrangements, including but not limited to the *Wassenaar Arrangement on Export Controls for Conventional Arms and Dual-Use Goods and Technologies* done at Wassenaar on 12 July 1996; the Australia Group; the Nuclear Suppliers Group; the Missile Technology Control

2. Each Party shall promptly make publicly available online all fees and charges it imposes in connection with importation or exportation, including any updates or changes to those fees and charges. Fees and charges shall not be applied until information on them, including the reason for the fees and charges, the responsible authority, and when and how payment is to be made, has been published.
3. Neither Party shall require consular transactions, including related fees and charges, in connection with the importation of any good of the other Party.
4. Neither Party shall levy fees and charges on or in connection with importation or exportation on an *ad valorem* basis.

#### **Article 2.15** **Export Duties, Taxes, and Other Charges**

For greater certainty, this Article shall not apply to any duty, tax, or other charge on the exportation of goods imposed in accordance with Article 2.14 (Administrative Fees and Formalities).

**Article 2.16**

1. For the purpose of monitoring the functioning of this Agreement and calculating preference utilisation rates, the Parties shall annually exchange import data of trade between the Parties for a 15 year-long period starting in the year following the date of entry into force of this Agreement. Unless the Trade in Goods Sub-Committee agrees otherwise, this period shall be automatically extended for five years and thereafter the Trade in Goods Sub-Committee may decide to extend it further.
2. The exchange of import data of trade between the Parties shall cover data pertaining to the most recent calendar year available (including for a partial calendar year after the date of entry into force of this Agreement), including value and, where possible, volume, at the tariff line level for imports of goods of the other Party benefitting from preferential duty treatment under this Agreement and for those that receive non-preferential treatment, including under suspension regimes used by the Parties upon importation, in order to allow for an assessment of preference utilisation under this Agreement.

**Article 2.17**  
**Trade in Goods Sub-Committee**

1. The Trade in Goods Sub-Committee established under Article 30.9 (Sub-Committees – Institutional Provisions) is composed of government representatives of each Party.

## **Article 2.18 Consultations**

1. Where a Party considers that a non-tariff measure on the importation of goods of the other Party or on the exportation of any good destined for the territory of the other Party adversely affects trade in goods between the Parties, that Party may request detailed information relating to that measure and, if necessary, request consultations with a view to resolving any concerns about the measure. The other Party shall respond promptly to such requests for information and consultations.
2. Where a non-tariff measure of the type described in paragraph 1 is covered by another Chapter which provides for a consultation mechanism with the other Party, that consultation mechanism shall be used, unless otherwise agreed between the Parties. For the avoidance of doubt, paragraph 4 of Article 5.17 (Technical Consultations – Sanitary and Phytosanitary Measures) shall not apply with respect to this Article.
3. Within 30 days of receipt of a request under paragraph 1, the responding Party shall provide a written reply to the requesting Party.
4. Unless the Parties mutually determine otherwise, within 30 days of the requesting Party's receipt of the reply, the Parties shall enter into consultations with a view to reaching a mutually satisfactory solution.
5. If the requesting Party considers that the subject of the request under paragraph 1 is urgent or involves perishable goods, the responding Party shall give prompt and reasonable consideration to any request to hold consultations within a shorter timeframe than that provided for under paragraph 4.

**Part 2A-1**  
**Notes for Schedule of New Zealand**

1. In accordance with paragraph 1 of Article 2.5 (Elimination of Customs Duties), New Zealand's base rate of customs duty equals New Zealand's Most-Favoured-Nation (MFN) rates of duty in effect on 1 October 2021.

The classification of goods referred to in this Schedule shall be determined according to commodity codes as they are implemented pursuant to the United Kingdom's *Taxation (Cross-border Trade) Act 2018* and its subordinate legislation, and with reference to the provisions of the UK Global Tariff. To the extent that provisions of this Schedule are identical to the corresponding provisions of the UK Global Tariff, the provisions of this Schedule shall have the same meaning as the corresponding provisions of the UK's Global Tariff.
2. Unless otherwise provided for in this Section, for the purposes of the elimination of customs duties in accordance with this Schedule, in the case of an ad valorem duty any fraction less than 0.1 of a percentage point shall be rounded to the nearest one decimal place (in the case of 0.05 per cent, the fraction is rounded to 0.1 per cent), and in the case of a specific duty any fraction smaller than 0.01 of one pound sterling shall be rounded to the nearest two decimal places (in the case of 0.005, the fraction is rounded to 0.01).

**Part 2B-2**  
**Tariff Rate Quotas of the United Kingdom**

**Subsection 2B-2-1**  
**General Provisions**

1. This Part sets out the duty-free Tariff Rate Quotas (“TRQs”) that the United Kingdom shall apply from the date of entry into force of this Agreement to certain originating goods of New Zealand.
2. The products covered by each TRQ set out in Subsection 2B-2-2 (Product Treatment) are informally identified in the title to the paragraph setting out the TRQ. These titles are included solely to assist in understanding this Schedule and shall not alter or supersede the coverage established through the identification of the commodity codes specified in Subsection 2B-2-2 (Product Treatment).
3. For the purposes of this Part the term “metric tonnes” shall be abbreviated as “MT”.
4. Where the date of entry into force of this Agreement is during a year, the TRQ quantities, as established in Subsection 2B-2-2 (Product Treatment), for that year shall be calculated as a proportion of the annual TRQ quantity equal to the number of days remaining in the year. In all subsequent years thereafter, whilst the TRQ is in operation, the full annual quota quantities shall be available from 1 January.
5. Any quantity of originating goods under a TRQ provided for in Subsection 2B-2-2 (Product Treatment) shall not be counted toward the in-quota quantity of any TRQ provided for those goods under the United Kingdom’s WTO Tariff Schedule or any other trade agreement.
6. To access a TRQ, as set out in Subsection 2B-2-2 (Product Treatment), the importer must hold a valid TRQ export certificate issued by the Government of New Zealand or a New Zealand delegated authority that is in effect for the goods. New Zealand shall manage the administration of all TRQ volumes through the issuance of TRQ export certificates, up to the relevant quantity for each TRQ. TRQ export certificates will be issued upon request from exporters.
7. Imports under all TRQ volumes shall be on a first-come, first-served basis, and no additional conditions or restrictions shall apply in respect to the administration or operation of the TRQ system beyond that set out in paragraph 19 of this Part.
8. New Zealand shall manage the TRQ export certificate system in a transparent manner. New Zealand shall:

- (a) make available to the United Kingdom relevant data in respect of the initial allocation and any reallocation of annual quota volumes;
  - (b) make available to the United Kingdom on a monthly basis, or as otherwise mutually agreed, relevant data in respect of the issuance and any reissuance of TRQ export certificates. This data shall include the information set out in paragraph 9 in respect of each TRQ export certificate;
  - (c) publish monthly on its designated publicly available website the aggregated quota volume issued under export certificates for the relevant month and year to date; and
  - (d) publish a notice on its designated publicly available website whenever annual export certificate volumes for a specific TRQ have been fully issued for a year.
9. A TRQ export certificate as referenced in paragraph 6 must include the following information:
- (a) exporter's name and address;
  - (b) importer's name and address;
  - (c) a description of the good or goods;
  - (d) quantity (alongside unit of measure); and
  - (e) validity period (including applicable quota year).
10. New Zealand shall promptly notify the United Kingdom of the identity of any delegated authority or body authorised to issue TRQ export certificates and the format of the certificate used by New Zealand for certification pursuant to paragraph 6 of this Part.
11. If a matter arises concerning TRQs or any related matter, a Party may make a written request to the other Party to:
- (a) hold a meeting of the Trade in Goods Sub-Committee;
  - (b) promptly respond to specific questions; or
  - (c) promptly provide information relating to TRQs.

1. This Part sets out that originating goods under the Tariff Schedule of the United Kingdom may be subject to a product specific safeguard measure as specified in paragraph 8 of Part 2B-1 (Notes for Schedule of the United Kingdom).
2. Notwithstanding Article 2.5 (Elimination of Customs Duties), the United Kingdom may apply a product specific safeguard measure on specific originating agricultural goods provided for in the commodity codes indicated with 'PSS-1' in column 'Notes' in Part 2B-5 (Schedule of Tariff Commitments: United Kingdom). The United Kingdom may apply a product specific safeguard measure only under the conditions set out in this Schedule and only in accordance with the terms set out in this Schedule.
3. Any product specific safeguard measure applied under this Schedule may be maintained only until the end of the year in which the trigger quantity was exceeded. The application of a product specific safeguard in a year does not affect the application of a product specific safeguard on the same product in any subsequent year.
4. The United Kingdom shall implement any product specific safeguard measure in a transparent manner and no additional conditions or restrictions shall apply beyond those stipulated in this schedule. The United Kingdom shall:
  - (a) publish the volume of imports of originating agricultural goods referred to in paragraph 4 of Subsection 2B-3-2 (Product Treatment) regularly and in a manner which is readily accessible to New Zealand producers and exporters;
  - (b) notify New Zealand in writing, including the provision of relevant data to the extent permitted by its laws and regulations, once the annual aggregate import quantity reaches 90 per cent of the annual aggregate trigger level as set out in Subsection 2B-3-2 (Product Treatment) of this Schedule; and
  - (c) publish a notice, including the provision of relevant data to the extent permitted by its laws and regulations, on its designated publicly available website if the product specific safeguard measure is in effect, on the day of applying the measure.
5. On request, the United Kingdom shall consult with New Zealand with respect to the application of any product specific safeguard measure.

6. Nothing in this Agreement shall restrict the United Kingdom from:
- (a) subjecting an originating good to which a bilateral safeguard measure as defined in Article 8.9 (Adoption of Bilateral Safeguard – Trade Remedies) may be applied to a product specific safeguard measure;  
or
  - (b) subjecting an originating good to which a product specific safeguard measure may be applied to a bilateral safeguard measure.

**Subsection 2B-3-2  
Product Treatment**

**PSS-1 – Product Specific Safeguard Measure for Beef**

1. From the start of year 11 to the end of year 15, the United Kingdom may increase the ad valorem customs duty rate on originating goods provided for in the commodity codes indicated with ‘PSS-1’ in Column ‘Notes’ in Part 2B-5 (Schedule of Tariff Commitments: United Kingdom) to the level prescribed in paragraph 2 of Subsection 2B-3-2 (Product Treatment) if the aggregate annual quantity of PSS-1 goods imported into the United Kingdom in a given year exceeds the annual trigger quantity for that year.
2. In accordance with paragraph 1 of Subsection 2B-3-2 (Product Treatment) the United Kingdom may apply a customs duty rate on originating PSS-1 goods which does not exceed the lesser of:
  - (a) 20 per cent ad valorem; or
  - (b) the Most-Favoured-Nation (MFN) applied rate of customs duty in effect at the time the measure is applied.
3. The aggregate trigger quantity (product weight) in each year for PSS-1 goods, from year 11 to year 15, is:
  - (a) 43,056 MT for year 11;
  - (b) 47,292 MT for year 12;
  - (c) 51,528 MT for year 13;
  - (d) 55,764 MT for year 14; and
  - (e) 60,000 MT for year 15.
4. For the avoidance of doubt, annual trigger volumes are calculated based on aggregate imports of originating goods from New Zealand into the United Kingdom of products under the following commodity codes: 0201.10.00, 0201.20.20, 0201.20.30, 0201.20.50, 0201.20.90, 0201.30.00, 0202.10.00, 0202.20.10, 0202.20.30, 0202.20.50, 0202.20.90, 0202.30.10, 0202.30.50, 0202.30.90, 0206.10.95, 0206.29.91, 0210.20.10, 0210.20.90, 0210.99.51, 1602.50.10, 1602.50.31, 1602.50.95, 1602.90.61, and 1602.90.69.
