Product Description	A red M416 assault rifle styled toy gun that shoots foam darts. Also includes battery powered attachable accessories.
Country of Origin	China
Counterfeit	Genuine
Risk Type	Injuries and Asphyxiation
Risk Level	High
Risk Description	<p>The product presents a high risk as the chamber of the product itself is made such that a sharp object can be placed inside and fired. This could result in serious injury if the object were to hit someone. In addition, the darts, and the flexible plastic bag used for packaging pose an asphyxiation risk. All five of the darts included were measured to be below the minimum 57mm specified, which could result in an airway obstruction. The flexible plastic bag used for packaging has a thickness less than the minimum requirement. Improvements are required to documentation, warnings and markings.</p> <p>The product does not meet the requirements of the Toys (Safety) Regulations 2011.</p>
