Authorized Amendment
Summary / Overview of the amendment to explain/ensure that the reader understands: the rationale for the amendment; the major changes; and, importantly, the full context (including desired outcome) of the amendment.
The Regulated Community is reminded to check this amendment against any applicable AAMC, Waivers or Exemptions to ensure their ongoing validity.
A major rewrite to include provision of an Air Ground Communication Service and other uses of Air to Ground Radios. This new issue provides the Regulated Community with clear delineation between types of service and the qualifications, training and periodic assessments required to provide them. It also provide a regulatory framework for the wider use of air to ground radios and the use of Air Traffic Management equipment.
