Other updates

- We know how important and sensitive a decision on the future of Grenfell Tower will be, and a decision has not yet been made.

The government is committed to supporting bereaved families, survivors and local residents and their work to determine a future memorial.

We have been having conversations with them to understand their views. This includes a residents' meeting with the secretary of state, held earlier this year. [You can read a summary of the meeting by going to 'Latest updates' at Grenfell Community Updates on GOV.UK](#)

- The local NHS service offers physical and mental health support to members of the community affected by the Grenfell Tower tragedy, including children and young people. Visit the NHS Grenfell Health and Wellbeing Service at grenfellwellbeing.com for information.

You can also call them on [020 8637 6279](tel:02086376279) (from 8am to 8pm) or call the CNWL urgent advice line on [0800 0234 650](tel:08000234650) (24 hours a day), or contact them by email at grenfell.wellbeing@nhs.net

- Refurbishment work will begin on the Lancaster West Estate walkways in the week of 9 October and will continue until April 2025. To find out more about the refurbishment, please go to www.wearew11.org/en
