About HLPAS Contract Work

- 1.9 The HLPAS comprises two key aspects:

- i. Early Legal Advice
- ii. In-Court Duty Scheme

Early Legal Advice

- 1.10 Early Legal Advice involves the provision of legal advice in Housing, Debt and Welfare Benefits matters to individuals at risk of possession proceedings and loss of their home.
- 1.11 Early Legal Advice may be provided in person or remotely.
- 1.12 Early Legal Advice is non-geographic. Providers will be able to assist Clients wherever they are in England and Wales.

In-Court Duty Scheme

- 1.13 The In-Court Duty Scheme provides 'on the day' emergency face-to-face advice and advocacy to anyone facing possession proceedings in court.
- 1.14 The In-Court Duty Scheme is available to individuals whose home is at immediate risk of possession because possession proceedings have been listed for a review or substantive hearing.
- 1.15 An individual In-Court Duty Scheme will be provided by a single Provider subject to paragraph 5.19. The courts at which successful Applicants must deliver these services will be specified in their HLPAS Schedule.
- 1.16 Contract documentation is available on the LAA's website:
<https://www.gov.uk/government/publications/standard-civil-contract-2024>
- 1.17 Whilst the LAA may allocate a certain volume of Matter Starts and acts of assistance to Providers, no guarantee is provided in relation to the volume or value of work which individual Providers will receive or be paid for under any HLPAS Schedule. Services are provided under open market conditions and clients are free to choose from those Providers holding a HLPAS Schedule.

Using Agents

- 1.18 Applicants intending to use Agents should familiarise themselves with the relevant clauses in the 2024 Contract. Applicants should note that they will be responsible for submitting a single claim for all HLPAS Contract Work, including work undertaken by Agents.

Payment

- 1.19 Payments under all 2024 Contracts will be at the rates set out in Legal Aid Legislation and are subject to change from time to time. By submitting a Tender you acknowledge that payment rates may vary during the term of the 2024 Contract.

SECTION 3: COMPLETION OF A HLPAS ITT RESPONSE

- 3.1 The HLPAS ITTs can be found in in the eTendering system in Project 139 at ITTs 900 -1005.
- 3.2 Applicants are required to complete a separate HLPAS ITT Response for each HLPAS Area where they wish to perform HLPAS Contract Work.
- 3.3 Each HLPAS ITT contains the Technical Envelope which is comprised of the:
 - (a) Quality Award Criteria; and
 - (b) Proximity Award Criterion; and
 - (c) Warranties and declarations.

Quality Award Criteria

- 3.4 A full breakdown of each of the questions is included in the relevant HLPAS ITT and is replicated in the HLPAS-Specific Information document.
- 3.5 The Quality Award Criteria require Applicants to set out how they will deliver HLPAS Contract Work, including how they will deploy appropriate infrastructure and appropriately skilled and experienced staff to deliver the HLPAS Contract Work.
- 3.6 Applicants must respond to the Quality Award Criteria specifically in relation to the HLPAS Area tendered for. Responses that are not specific to the HLPAS Area are likely to receive lower scores.
- 3.7 The Quality Award Criteria will be assessed in accordance with the evaluation methodology set out at paragraphs 5.5 to 5.8 to determine a “quality” score.
- 3.8 Each scored sub-criterion requires the Applicant to type a written response to the specific questions asked in the free text boxes provided.
- 3.9 Each text box has a maximum limit of 2000 characters (including spaces). Applicants have the facility to use up to a maximum of two text boxes in their responses to each sub-criterion question (allowing a total of 4,000 characters per response). Applicants will not be able to exceed the character limit when submitting their responses.

Proximity Award Criterion

- 3.10 The Proximity Award Criterion requires Applicants to confirm the physical location (Office) they will deliver HLPAS Contract Work from and allocates scores depending on distance from the court locations to be covered.
- 3.11 The Proximity Award Criterion is included in the relevant HLPAS ITT and is replicated in the HLPAS-Specific Information document.
- 3.12 The Proximity Award Criterion is a scored question which is answered by selecting an answer from the drop-down menu.

3.13 Details of corresponding and neighbouring Housing and Debt Procurement Areas are set out in the HLPAS-Specific Information document.

Warranties and declaration

3.14 The Technical Envelope also contains a warranties and declaration section. Applicants are referred to Section 3 of the HLPAS-Specific Information document for the precise wording.

Mandatory Attachment – HLPAS ITTs

3.15 Applicants are required to upload the following Mandatory Attachment as part of each Individual HLPAS Bid:

Mandatory Attachment	Submission requirements
Staff Organogram	Required in response to Question N.1 of the Technical Envelope of each HLPAS ITT Response.

Staff Organogram

3.16 Applicants are required to submit a Staff Organogram for each Individual HLPAS Bid which includes information about how the Applicant will staff the HLPAS Contract Work in the applicable HLPAS Area. Applicants should use their own templates. However, the Staff Organogram must as a minimum show:

- all roles that will be used in delivering the HLPAS Contract Work, including the HLPAS Manager. This should include the title of the role and the main duties that will be performed; and
- names of individual staff members fulfilling those roles (unless a vacant position), including whether they are currently employed, where there is a Signed Engagement Agreement and where they are employed as Agents; and
- the qualifications and experience of staff members fulfilling roles; and
- roles which are currently vacant; and
- whether staff members and/or roles are permanent or temporary. Where temporary, the Applicant should stipulate how long the position will last; and
- whether the staff member and/or role is full time or part time. Where part time, the Applicant should stipulate the proportion of an FTE the role comprises.

3.17 Where an Applicant fails to provide the relevant Mandatory Attachment, the relevant Individual HLPAS Bid may be rejected. For example, if an Applicant has provided a Staff Organogram for the Whitehaven HLPAS Area but has failed to provide a Staff Organogram for the Durham HLPAS Area, the Applicant may have its Individual HLPAS Bid for the Durham HLPAS Area rejected.

- 3.18 Providing the relevant Mandatory Attachment is a requirement for an Individual HLPAS Bid to be compliant. That is the case even where the information has been provided to the LAA by the Applicant in a format other than in an Organogram (e.g. where information relating to the Mandatory Attachment is contained within an Applicant's answer to an Award Criterion).
- 3.19 Please note that because Mandatory Attachments must be completed outside of the eTendering system and uploaded into an Individual HLPAS Bid, it is not possible for the eTendering system to prevent incorrect or incomplete information being submitted and it is the Applicant's responsibility to ensure fully completed and accurate information is attached.
- 3.20 The LAA will only accept attachments submitted in the following formats:
- Microsoft Word;
 - Microsoft Excel; or
 - Adobe PDF.
- 3.21 Applicants should check the contents of any attachments on the eTendering system (found in the "Actions" menu). Applicants should go to the section in the HLPAS ITT against which the attachments are uploaded and select "Download". This will open the versions of the attachments uploaded as part of a Tender.

Submitting an Individual HLPAS Bid

- 3.22 Before submitting an Individual HLPAS Bid, an Applicant must check that it has answered all questions correctly. If the Individual HLPAS Bid is incomplete it may be assessed as unsuccessful.

SECTION 4: APPLICANTS' QUESTIONS

- 4.1 Information about the process to follow if an Applicant has a question about the procurement process to which they cannot find a response in this document or in the guidance provided in the eTendering system, is contained in Section 2 of the [SQ ITT](#).

SECTION 5: HLPAS ITT RESPONSE ASSESSMENT

- 5.1 The SQ ITT contains the rules and requirements upon Applicants in respect of the SQ element of this procurement process.
- 5.2 Applicants that are assessed as having passed the SQ will proceed to the assessment of the HLPAS ITT Responses which will be assessed in the following stages:
- Stage 1 – Housing and Debt Contract Work assessment
 - Stage 2 – Quality Award Criteria
 - Stage 3 – Proximity Award Criteria
 - Stage 4 – Verification
 - Stage 5 – Final Score
 - Stage 6 – Tie-break (if applicable)

Stage 1 – Housing and Debt Contract Work assessment

- 5.3 The LAA will check its own records to confirm whether the Applicant has successfully tendered for a Housing and Debt Contract at each Office from which it has tendered to deliver HLPAS Contract Work.
- 5.4 The LAA will reject any Individual HLPAS Bid where an Applicant does not meet the requirements of paragraph 5.3.

Stage 2 – Quality Award Criteria

- 5.5 Where more than one Individual HLPAS Bid is received in a HLPAS Area, the LAA will evaluate the responses within the Technical Envelope submitted by Applicants which contains the Quality Award Criteria. The score achieved by Applicants for the Quality Award Criteria constitutes 95% of the overall score.
- 5.6 Each scored sub-criterion will be assessed and given a score of between 0 and 4 in accordance with the scoring matrix in the below:

Score (0-4)	Scoring Criteria:
0	Unacceptable: The following is indicative of factors that would lead to a score of 0: <ul style="list-style-type: none">• No response is provided, or the response is not relevant to the sub-criteria.

3	<p>Good: The following is indicative of factors that would lead to a score of 3:</p> <ul style="list-style-type: none"> • The response addresses all issues/areas listed in the sub-criteria in most material respects but is lacking in some minor respects.

Responses that are not specific are likely to achieve lower points.

5.8 The relevant weighting will be applied to the score achieved against the relevant sub criterion. Weighted scores in the Quality Award Criteria will be calculated to two decimal places. Weighted scores for all Quality Award Criteria will be added together to give an overall Quality Award Criteria score out of 95. The weightings for the HLPAS Quality Award Criteria will be:
