Alert Number	2309-0141
Product Type	Laser pointers - High Powered Laser Pointer
Product Identifiers	ASIN: B0BGGLLDGK
Product Description	Laser pointer provided in a box with glasses, plug, battery charger, laser caps and safety leaflet
Country of Origin	Unknown
Counterfeit	No
Risk Type	Injuries, Damage to sight
Risk Level	Serious
Risk Description	<p>The product presents a high risk of injuries and damage to sight as it should be classified as Class 4 laser product due to having an excessively strong beam, which is not suitable for consumer use as UKHSA and WHO advises that consumer products sold to the public should be restricted to Class 1 or Class 2. If the beam were to be pointed in the consumers eye, there may be temporary or permanent damage. Testing identified that the product has an accessible emission of laser: green 532nm - 24mW. The laser safety label is incorrect, and manuals provide incorrect information.</p> <p>For further information on laser radiation safety advice, please access the following Gov.uk webpage: https://www.gov.uk/government/publications/laser-radiation-safety-advice/laser-radiation-safety-advice</p> <p>The product does not meet the requirements of the General Product Safety Regulations 2005.</p>
Corrective Measures	We recommend owners stop using this product immediately. Contact the distributor you purchased from to request redress.
