

<b>High Powered Laser Pointer</b>	
<b>Aspect</b>	<b>Details</b>
<b>Images</b>	
<b>Alert Number</b>	2309-0144
<b>Product Type</b>	Laser pointers - High Powered Laser Pointer
<b>Product Identifiers</b>	ASIN: B09WMHRDP5
<b>Product Description</b>	Laser pointer with a supplied charger and packaged in a cardboard box, bearing a sticker which was marked inter alia with a UKCA mark.
<b>Country of Origin</b>	Unknown
<b>Counterfeit</b>	No
<b>Risk Type</b>	Injuries, Damage to sight
<b>Risk Level</b>	Serious
<b>Risk Description</b>	<p>The product presents a high risk of injuries and damage to sight as it is a Class 3B laser with an excessively strong beam, which is not suitable for consumer use as UKHSA and WHO advises that consumer products sold to the public should be restricted to Class 1 or Class 2. If the beam were to be pointed in the consumers eye, there may be temporary or permanent damage. Testing identified that the product has an accessible emission of laser: green 532nm - 93mW, and there is no laser safety labels or user manual to inform the consumers of the risks.</p> <p>For further information on laser radiation safety advice, please access the following Gov.uk webpage: <a href="https://www.gov.uk/government/publications/laser-radiation-safety-advice/laser-radiation-safety-advice">https://www.gov.uk/government/publications/laser-radiation-safety-advice/laser-radiation-safety-advice</a></p> <p>The product does not meet the requirements of the General Product Safety Regulations 2005.</p>
<b>Corrective Measures</b>	We recommend owners stop using this product immediately. Contact the distributor you purchased from to request redress.
