

EMPLOYMENT TRIBUNALS

Claimant

Mr M Shubita

Respondent

v **The University of Warwick**

Dan Derricott

Rosie Drinkwater

Employment Judge JM Wade in chambers on 22 September 2023

JUDGMENT

The claimant's application dated 31 August 2023 to re-consider the Judgment of the Tribunal sent to the parties on 18 August 2023 is refused.

REASONS

1. The claimant's application is that he wishes the judgment to be "Reconsidered" and this case reinstated.
2. The application was properly copied to the respondents' solicitors in accordance with Rule 92.
3. My assessment, as required by the Tribunal's Rule 72(1), is that there are no reasonable prospects of the judgment being revoked or varied because:
 - 3.1. The claimant does not explain the legal basis on which the complaint or complaints can be brought against the respondents; and
 - 3.2. To the extent he considers a fair hearing of his case against Leeds Beckett University requires disclosure of documents from Warwick, this can be addressed in an application for third party disclosure, if there is a failure to disclose voluntarily relevant documents, without which there cannot be a fair hearing in case number 1806695 – 2022; and
 - 3.3. The decision was an exercise of discretion, parties are served by legal certainty, and the claimant has not provided any basis on which I could consider discretion was wrongly exercised in this decision.
