Our ref. DML Schedule 11

Dear Sir/Madam,

I am writing to you to request a variation to the Deemed Marine Licence (DML) Schedule 11 contained within the Hornsea Two Offshore Wind Farm Order 2016 (as amended).

The Transfer of Benefit Agreement together with the notice to Secretary of State (SoS) at DESNZ were submitted on the 12 July 2023 with the divestment of the OFTO assets being completed on 20 July 2023. The Marine Management Organisation (MMO) were notified of the transfer on 12 July 2023.

Ørsted requests that the licence holder name contained within Schedule 9 be changed from Breesea Limited to Diamond Transmission Partners Hornsea Two Limited.

Whilst there is no statutory requirement to amend the licence holder name within the DML itself, Ørsted requests this change to ensure clarity and certainty.

Enclosed with this letter is a tracked changes version of Schedule 11 showing the required change.

Yours sincerely

**Jennifer Ford**
