Our client charter

Our commitment to you

We keep the interests of your child at the heart of everything we do. We do this by working with you to provide a service that helps you to easily manage your child maintenance arrangements.

We will be:

Responsive...

We will answer your questions and sort out any issues as quickly as we can. If your needs change, we'll change with you. And we'll use your feedback to improve how we do things.

Reliable...

We will always tell you what is going on in your case and if we say we'll do something, we'll do it. You'll get the right information – and it will be the same information no matter who you speak to.

Respectful...

We'll be open and honest, and treat you fairly. We will explain what we are doing or why we are asking you for something. And because we respect the fact that every case is different, you can manage your case in the way that suits you best.

What this means for you

When you open your case – we'll work out a child maintenance amount as soon as we can. If you need us to, we'll try to find the other parent as quickly as possible.

When you need to contact us – you can call us or send a message online.

If your circumstances change – we'll look at your case and work out if your payments need to change.

If payments are missed – we'll act quickly, taking the appropriate action to get the child maintenance owed.

After 12 months – we'll look at your case in your Annual Review, to make sure your payments are still accurate.

To help us give you the best possible service, we need you to:

- **tell us as soon as possible if anything changes that could affect payments**
- **treat our people with courtesy and respect**
- **send us any information we ask you for as quickly as possible**
- **have information you think is relevant ready when you call us**

If you want to give us feedback about our service, find out what changes you need to tell us about, or if you have any other questions, please call us on **0845 266 8792***.

Where can I get more information?

Go to **www.gov.uk/child-maintenance** for more information, or call us on **0845 266 8792*** if you have any questions.
