DECISION

Summary of Decision

The Tribunal determines that the proposed increase in pitch fee for 66A Gladelands, Gladelands Park, Ringwood Road, Ferndown BN22 9BW is reasonable and determines a pitch fee of £182.33 per month with effect from 1 January 2023.

Background

1. On 9 March 2023 the Applicant site owner sought a determination of the pitch fee of £182.33 per month payable by the Respondent as from 1 January 2023. This was one of a number of similar applications.
2. A Pitch Fee Review Notice dated 17 November 2022 with the prescribed form was served on the occupier proposing to increase the pitch fee by an amount which the site owner says represents an adjustment in line with the Retail Prices Index (“RPI”).
3. On 3 July 2023 the Tribunal directed the Application be determined on the papers without an oral hearing unless a party objected within 28 days. No objections were received from the parties.
4. The Directions provided that the application form and accompanying papers should stand as the Applicant’s statement of case.
5. The Respondent was invited to prepare a statement indicating whether she agreed or disagreed with the application. However, no response was received.
6. The Applicant has submitted the application and an Applicant’s Statement from a Director Mr Steve Drew, dated 4 August 2023. The statement contains a description of the process followed.

Consideration

7. Gladelands Park is a protected site within the meaning of the Mobile Homes Act 1983 (“the 1983 Act”). The definition of a protected site in Part 1 of the Caravan Sites Act 1968 includes a site where a licence would be required under the Caravan Sites and Control of Development Act 1960 if the exemption of local authority sites were omitted.
8. The Respondent’s right to station their mobile home on the pitch is governed by the terms of their Written Agreement with the Applicant and the provisions of the 1983 Act. A copy of the Agreement has been supplied.
9. A pitch fee is payable by the Respondent. Pitch fee is defined in paragraph 29 of Part 1 of Schedule 1 of the 1983 Act as:

"The amount which the occupier is required by the agreement to pay to the owner for the right to station the mobile home on the pitch and for use of the common areas of the protected site and their maintenance, but does not include amounts due in respect of gas, electricity, water, sewerage or other services, unless the agreement expressly provides that the pitch fee includes such amounts."

10. The Applicant served the Respondent with the prescribed form proposing the new pitch fee on 17 November 2022, which was more than 28 days prior to the review date of 1 January 2023. The Application to the Tribunal to determine the pitch fee was made on 9 March 2023 which was within the period starting 28 days to three months after the review date. The form indicated that the Applicant had applied the RPI of 14.2 percent applying the mid October 2022 figure.
11. The Tribunal is satisfied that the Applicant has complied with the procedural requirements of paragraph 17 of Part 1 of Schedule 1 of the 1983 Act to support an application for an increase in pitch fee in respect of the pitch occupied by the Respondent.
12. The Tribunal is required to determine whether the proposed increase in pitch fees is reasonable. The Tribunal is not deciding whether the overall level of pitch fee is reasonable.
13. The Tribunal is required to have regard to paragraphs 18, 19 and 20 of Part 1 of Schedule 1 of the 1983 Act when determining a new pitch fee. Paragraph 20(1) introduces a presumption that the pitch fee shall increase by a percentage which is no more than any percentage increase or decrease in the RPI since the last review date and applies unless factors identified in paragraph 18 are demonstrated so that presumption does not apply. If the presumption does apply, it may be rebutted but only by other factors which are sufficiently weighty to do so.
14. The Applicant has restricted the increase in the pitch fee to the percentage increase in the RPI and in view of the presumption referred to in paragraph 13 above and in the absence of any matters being raised which prevent that presumption applying or then go to rebut that presumption, the Tribunal finds that the proposed increase in pitch fee is reasonable.

Decision in respect of the pitch fee

15. Given the above circumstances the Tribunal determines that the proposed increase in pitch fee for 66A Gladelands, Gladelands Park, Ringwood Road, Ferndown BN22 9BW is reasonable and determines a pitch fee of **£182.33 per month with effect from 1 January 2023.**

Fees

16. The Tribunal may make an order requiring a party to reimburse to any other party the whole or part of the amount of any fee paid by the other party (which has not been remitted) pursuant to rule 13(2) of The Tribunal Procedure (First Tier Tribunal) (Property Chamber) Rules 2013.
17. Given the Respondent's failure to engage with these proceedings the Tribunal is minded to order the Respondent to reimburse the Applicant with the Tribunal application fee of £20.00. This order will take effect unless the Respondent makes representations in writing to the Tribunal on why she should not reimburse the fee by **25 September 2023**.

RIGHTS OF APPEAL
