

Your Political Fund Contribution

This is a quick note about your political fund contribution.

Under the Trade Union Act 2016, all members who've joined since 1 March 2018 and contribute to the MU political fund, have the right to opt out.

You can change your political fund options by logging into [My MU](#) or via any of the options listed below.

Thank you for your membership of the MU, a growing community of musicians campaigning for a fairer music industry.

Kind regards
