As requested by the Inspector at Tuesday's Hearing, we have prepared plans showing the Arrivals Building (planning permission UTT/16/3566/FUL) overlaid on the existing and proposed site plan and elevation drawings previously submitted as part of the original application submission.

For clarity, the attached plans have all been given new drawing reference numbers. The four plans are submitted for illustrative purposes only and are not drawings for formal approval. The attached plans are:

STN.XX.00.XX-PAW-A-GA-BLDSTR-2902 Arrivals Building)	Architectural Site Plan- Existing (with
STN.XX.00.XX-PAW-A-GA-BLDSTR-2912 Arrivals Building)	Architectural Site Plan- Proposed (with
STN.XX.00.XX-PAW-A-EL-BLDSTR-2503 Arrivals Building)	Architectural Elevations 3- Existing (with
STN.XX.00.XX-PAW-A-EL-BLDSTR-2513 Arrivals Building)	Architectural Elevations 3- Proposed (with

Please note that the drawing reference number of plan 2902 attached (STN.XX.00.XX-PAW-A-**GA**-BLDSTR-2902) differs from the drawing title reference of the demolition plan 2902 previously submitted.

The attached new plan has 'GA' in the drawing title whereas the demolition plan STN.XX.00.XX-PAW-A-**DM**-BLDSTR-2902 has 'DM' in the drawing title.

Each of the plans has the Arrivals Building planning permission reference number indicated.
