Alert Number	2310-0237
Product Type	Electrical appliances and equipment – Step down transformer
Product Identifiers	Model: ST-2000VA SKU: G1065-VTC-20SJ-UK Other product identifiers: INT0001-B2C-20230721113231, RVG105-230811-0002-352, S2CNSHAGoodCang_UK230034.
Product Description	Step-down transformer used to translate the voltage of devices down to smaller outputs.
Country of Origin	China
Counterfeit	No
Risk Type	Electric shock
Risk Level	Serious
Risk Description	The product presents a serious risk of electric shock as the transformer had not been provided with a dedicated earthing terminal. If a surge in a current or a fault with the product were to occur, the product could become live and electrocute the consumer. The plug fitted to this sample did not comply with BS1363. The instructions supplied with the product are inadequate as they did not contain sufficient information to ensure the correct and safe use of the equipment. The electrical equipment had also not been marked with the name, trademark, or other means for the identification of the manufacturer as required by the regulation. The product does not meet the requirements of the Electrical Equipment (Safety) Regulations 2016.
Corrective Measures	The import has been rejected and destroyed at the border.
