Morning Both,

Thank you for your patience with the consultation with TVBC. We have now received a response which may impact on any decision you may wish to take regarding your application. In light of this, we thought it would be appropriate to issue another letter outlining the potential ways forward. Please see the attached letter and confirm how you wish to proceed.

You will be aware of a recent site visit carried out by Jemma Lovegrove (Triage Officer). She mentioned you were on site and wanted me to pass on her thanks for the conversation you had. Her finding will be included for consideration in the determination.

Kind regards,

**Matt Tanner BSc (Hons) MSc**
