Matt

Please see attached an updated version of B1. I have updated Question 5b but have left some details in the rest of it as technically Christopher Hall's certificate is still valid. Happy to get rid of that info if you feel it isn't relevant.

Morning Michael,

Thank you for the quick response. The provided email is sufficient evidence for duly making. As the continuing competency could potentially be out of date for some of the operational time, you will be using the grace period described in the guidance. To reflect this, please can you also resubmit Form B1, updating questions 5b.

I'm sure you won't have any trouble with this, but the original deadline still stands.

Kind regards,

**Matt Tanner BSc (Hons) MSc**
