Matt

Thanks for the attached. We're happy to have the date for completion as the 30th November but obviously we'll be aiming to respond earlier.

Afternoon All,

Please see the attached draft Schedule 5 Notification. I need to formally issue the Schedule 5 notification with a deadline that gives you reasonable opportunity to respond. With the intention to respond fully to the three questions, how long do you think you will need? Would you deem it acceptable for us to issue it with a deadline dated 30th November 2022? Of course, you would be entitled to submit the information sooner than this if you were ready.

Kind regards,

Matt Tanner BSc (Hons) MSc
