Matt

Having spoken to my client, we reluctantly agree to your timescales but would expect a response from you by Friday 27th January 2023.

If we do not receive a response by then we will sadly have to consider an appeal due to not determination of the permit.

Regards

Subject: Whitehouse Field - Schedule 5 Notification and TVBC consultation

Morning Simon and Michael,

Thank you for your response to the Schedule 5 Notification. We will not be asking for any further information at this stage.

As the competent regulator it is incumbent upon the Environment Agency to collect all relevant information to enable us to determine your application. It is our role as a responsible regulator to ensure we consider all information available and make reasonable efforts to obtain the information.

To that end, we are consulting with Test Valley Borough Council (“the Borough Council”) regarding your obligation to carry out the work. From preliminary discussions

with the Borough Council, we understand that they will not be able to respond to our enquiries before 20 January 2023.

Until we have a response from the Borough Council we are unable to conclude our assessment and determine your application.

We can only apologise for any inconvenience this may cause you but we will update you as soon as we are in receipt of any further information and able to proceed further towards determination.

Kind regards,

Matt Tanner BSc (Hons) MSc
