This is a supplementary statement to the statement I made on the 24 October 2019. My name is Hassen GUERROUDJ and I am the Managing Director of Hampshire Golf Club. I am making this statement with regards to plans to build a five hole golf course on land at Goodworth Clatford, known as Whitehouse Field.

I am the Managing Director of Hampshire Golf Club which is situated on the Winchester Road, a few miles south of Andover in Hampshire. I have been director of the golf club for eight years. The club is divided from a field known as Whitehouse Field, by the Wherwell Road. I am aware that the previous owners of Hampshire Golf Club also owned that land at the same time. The owners name was Mr Fiducia.

I can state that at no time since I have been managing the club, have we ever had a wish or need to extend the golf club into Whitehouse Field. Any current proposal to do so is nothing to do with us. If this has been stated, then it is not true.

I would add that I do not believe any independently run 5 hole golf course there, would be viable when we have a high standard 18 hole golf course and 9 hole academy at our club.
