That's great Michael,

Happy to leave the details in. Thanks for the quickest response from an operator/consultant I've had in a long time. I'll try my best to reciprocate.

I'll duly make the application and start working on the Recovery vs Disposal assessment as soon as possible.

Kind regards,

Matt

Please see attached an updated version of B1. I have updated Question 5b but have left some details in the rest of it as technically Christopher Hall's certificate is still valid. Happy to get rid of that info if you feel it isn't relevant.
