Both

For clarification the volumes are:-

"2.3.1 Approximately 16,865m³ or 28,670 tonnes of imported material will be required in order to facilitate the development of the five hole golf course in accordance with the plans approved under planning permission TVN.06179/8."

Matt,

Further to my response below. Are we any further forward with this ?

Michael,

Could you please confirm for Matt's benefit that the volumes detailed below on the last paragraph of my email are correct and detailed in the WRP.

Kind regards

Simon Nelson
