

EMPLOYMENT TRIBUNALS

Claimant: Mr Ben Dewing

Respondent: Drivalia UK Ltd

JUDGMENT

The complaint of **Unfair dismissal** is struck out.

REASONS

1. By a letter dated **12 April 2023** the Tribunal gave the claimant an opportunity to make representations, as to why the complaint of unfair should not be struck out because the Claimant lacked sufficient continuity of employment to bring such a claim.
2. The Claimant replied on 18 April 2023. The matter was also discussed at the Preliminary Hearing on 27 September 2023. The claimant has failed to make sufficient representations, why this should not be done. The complaint of **unfair dismissal** is therefore struck out.
3. The claimant's remaining claim(s) continue.
