Dear Sir Tony,

NOTTINGHAM CITY COUNCIL: INTERVENTION

I am writing to let you know that the Secretary of State has decided to increase your daily fee from £900 to £1,000, and to increase the daily fees for the other independent members of the Nottingham City Council Improvement and Assurance Board from £800 to £900. This reflects the changed status of the Board, which was moved to a statutory footing as per the [Directions issued on 2 September 2022](#). As per those Directions, the Council are directed to meet these fees, and the Secretary of State expects Nottingham City Council to backdate this uplift to the start of the statutory intervention on 2 September 2022.

I would like to take this opportunity to thank you and the Board for your continued hard work to support this intervention, and for your commitment to improving the performance of Nottingham City Council.

Yours sincerely,

Max Soule
Deputy Director, Local Government Stewardship
