Dear ██████████

RE: Request for Information – RFI4488

Thank you for your request for information which was processed in accordance with the Freedom of Information Act 2000 (FOIA).

This was a follow-up request to RFI4446 which was refused under the s12 exemption where the cost of compliance exceeded the appropriate limit under the FOIA.

RFI4446

I am seeking to track the percentage of the total scheme costs of centrally supported housing schemes met by centrally financed grant (social housing grant) and its predecessors.

If the information is broken down available on a regional basis, please provide that, too.

Please advised for each programme the programme breakdown between social housing, affordable rent, and intermediate tenures, and the average grant paid and its percentage of scheme costs for each of these categories.

RFI4488

You then requested the following information:

Is it possible to provide the figures for the allocated and final outturn expenditure (where available) of each of these programmes, along with data on number and tenure composition of dwellings funded by each programme?
