Dear Sir/Madam,

Thank you for contacting us

Please find enclosed a copy of the requested plan, covering letter and our general conditions, for your reference.

Our records show those cables, pipelines owned by SSE Utility Solutions Limited. Service cables, etc. may not be shown but their presence should be anticipated. No warranties are therefore given in respect of it.

They also provide indications of electric cables owned by other IDNO, or otherwise privately owned, which may be present in this area. This information is not information of SSE and SSE is unable to verify this information or to confirm whether it is accurate or complete.

The plan must be printed in the size requested (A3/A4) and will also need to be produced in colour. Please let us know if you require any further assistance.
