

EMPLOYMENT TRIBUNALS

Claimant: Mr M Little

Respondent: 1. CrowdSense Ltd (In compulsory Liquidation)
2. Secretary of State for BEIS

JUDGMENT

The claim against the First Respondent is struck out.

REASONS

1. On 1 March 2023, the claimant was informed that because the Respondent was in compulsory liquidation the claim could not be proceeded with without the permission of the Court. The claimant was advised that he needed to decide whether he would apply to the Court for permission to proceed. He was informed that a Judge would consider the claim in six months, at which time he would be asked if he had applied to the court. He was warned that he could be asked for reasons why the claim should not be struck out.
 2. On 7 September 2023, the claimant was asked by e-mail for an update as to whether he had applied for permission to bring the claims. No reply was received.
 3. By a letter dated the 2nd October 2023, the Tribunal gave the claimant an opportunity to make representations or to request a hearing, as to why the claim should not be struck out because
 - (1) The claimant had not complied with the Order of the Tribunal dated 7 September 2023.
 - (2) It has not been actively pursued.
 4. The claimant has failed to make representations in writing, or has failed to make any sufficient representations, why this should not be done or to request a hearing. The claim is therefore struck out.
