

- KEY**
- Site Boundary (14.07 Ha)
  - 1.8m High Close Boarded Timber Fence
  - 1.8m High Brick Wall, Wienerberger, Ashington Red Multi, or similar
  - Gated Access Point
  - Existing Boundaries to be retained and made good where required

**NOTE:** Boundary wall heights noted above are typical unless identified in other consultant reports as being higher for acoustic reasons, for example. Please refer to all other consultant.

**NOTE:** All existing site boundary treatments to be retained unless noted. Where required to enclose new rear garden spaces, new 1.8m high close boarded fences to be installed in-board of existing boundaries.
