

# EMPLOYMENT TRIBUNALS

**Claimant:** Mr G Sall

**Respondent:** Secretary of State for Justice «resp\_others»

## JUDGMENT ON AN APPLICATION FOR RECONSIDERTION

The claimant's application dated **6 November 2023** (with further information provided on 9 November 2023) for reconsideration of the written judgment sent to the parties on **5 October 2023** (oral judgment having been given at the Reconsideration Hearing on 3 October 2023) and written reasons having been provided on 7 November 2023 is refused.

## REASONS

There is no reasonable prospect of the original decision being varied or revoked, because the original decision sent to the parties on 20 February 2023 was revoked in relation to the Claimant's direct race discrimination complaint as a result of the Respondent's successful cross-application determined on 3 October 2023.

The Employment Tribunal (Constitution and Rules of Procedure) Regulations 2013 do not allow parties to apply for a reconsideration of a Tribunal's conclusions confirming, varying or revoking the original decision.

Employment Judge Platt
