Alert Number	2311-0232
Product Type	Cosmetics - Bodywash
Product Identifiers	All 'in date' batches are affected by the safety issue. Manufacturer's Product Codes: SBA500 (500ml) and SBA250 (250ml)
Product Description	250ml and 500ml bottles of bodywash. Combining a shampoo, bodywash and foam bath all in one.
Country of Origin	United Kingdom
Counterfeit	No
Risk Type	Microbiological contamination
Risk Level	Medium
Risk Description	The product presents a risk of microbiological contamination due to the detection of P fluorescens. This bacterium is not known to cause infections in humans, however immunocompromised users are at increased risk of severe adverse reaction to the contaminated product. The product does not meet the requirements of the Regulation 2009/1223 and the Cosmetic Product Enforcement Regulations 2013.
Corrective Measures	The product has been recalled from end users. If you have been supplied with an 'in-date' batch of the products listed, please cease use and quarantine as soon as possible and contact Vernacare or your distributor for information on next steps. Additional information is available on the Vernacare website at: https://vernacare.com/blog/vernacare-issues-voluntary-recall-across-clinisan
