Re reference: S62A/2023/0025 Land to the North of Eldridge Close, Clavering

I am contacting you to object to the above planning appeal.

Among my reasons to request that you deny the appeal are:

- 1) The land is currently productive agricultural land
- 2) The site is a mile from the village shop and post office, and from the primary school and the way is unlit, and there are not pavements for the whole route, those that there are are narrow in places and order a busy road
- 3) Clavering is a village that has seen much expansion over recent years, and further development will erode the rural nature and feel of the village.

Regards,

Nigel Cook
