Subject: Land to the North of Eldridge Close, Clavering Ref. S62A/2023/0025

Dear Sir

We note that there will be a forthcoming Appeal against the refusal for planning consent for residential development at land to the north of Eldridge Close, Clavering.

We wish to make representations against this proposal on the grounds that it is inappropriate for the location and use of agricultural land and will only add to the over development of new residential properties within the village.

The infrastructure simply cannot cope with the scale of development that is being proposed.

We very much hope that you will refuse the Appeal and in the meantime would appreciate acknowledgement of our objection.

Yours faithfully

Richard and Rhona Norden
