Claimant

Respondent

Miss Colette Brown

v

AB In Bev (UK) Limited

JUDGMENT

The claimant's application dated 26 July 2023 for reconsideration of the judgment sent to the parties on 12 July 2023 is refused.

REASONS

1. There is no reasonable prospect of the original decision being varied or reevoked because:
 - a. The decision at the Interim Relief Hearing is based on all the available material before the Judge at the hearing, and
 - b. No oral witness evidence is taken during and Interim Relief Hearing.
 - c. To ensure an Interim Relief Hearing is determined in time listed Employment Judge Postle will time manage representative's/and claimant's submissions and 1 hour was more than sufficient time for the claimant to set out her application.
