20 November 2023

Dear 

I am writing about your email of 11 November 2023, requesting the following information:

*I was wondering if you were able to help in my search for the service history associated with an ex- military Land Rover that I recently purchased?*

*I'm looking to build a history portfolio dating from when it first went into service in Feb 1994.*

*In particular the full vehicle history of the ex-military Land Rover registration 39 KL 09. including dates and details of units to which it was attached, maintenance/repairs carried out and if at all possible any associated documentation.*

I am treating your correspondence as a request for information under the Freedom of Information Act 2000 (FOI Act).

A search for the information has now been completed within the Ministry of Defence (MOD), and I can confirm that information in scope of your request is held. The information identified relating to this vehicle is attached, as follows:

- Annex A – Fault History
- Annex B – Inspection History
- Annex C – Servicing History

Some information about your vehicle has previously been published; Section 21(1) of the FOI Act provides that information is exempt if it is reasonably available by other means. The MERLIN archive was released as part of a previous FOI request and can be accessed at the Government publications website via the following link:

<https://www.gov.uk/government/publications/foi-responses-published-by-mod-week-commencing-09-july-2018>

Under Section 16 (Advice and Assistance) of the FOI Act, I can advise you that the MERLIN database in the above link is split into seven spreadsheets. The first has a list of vehicles, while spreadsheets 2 through 7 include the vehicle service histories. To search for a vehicle,

you must press Ctrl + F on your computer keyboard, then type in the vehicle registration number (39KL09) and press 'enter'. For ease of reference, the published information concerning your vehicle is available from MERLIN 2.0 attachment 1, Row 92276, and MERLIN 2.0 attachment 4, Rows 2137 – 2144.

You may wish to note that when the MERLIN database was archived into its current format some data may have been lost or corrupted. You should therefore be cautious that some of the data may be inaccurate.

I can advise that no other information on this vehicle is held.

If you have any queries regarding the content of this letter, please contact this office in the first instance. If you wish to complain about the handling of your request, or the content of this response, you can request an independent internal review by contacting the Information Rights Compliance team, Ground Floor, MOD Main Building, Whitehall, SW1A 2HB (e-mail: CIO-FOI-IR@mod.gov.uk). Please note that any request for an internal review should be made within 40 working days of the date of this response.

If you remain dissatisfied following an internal review, you may raise your complaint directly to the Information Commissioner under the provisions of Section 50 of the Freedom of Information Act. Please note that the Information Commissioner will not normally investigate your case until the MOD internal review process has been completed. The Information Commissioner can be contacted at: Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF. Further details of the role and powers of the Information Commissioner can be found on the Commissioner's website at <https://ico.org.uk/>.

Yours sincerely,

DE&S Policy Secretariat
