Subject: Erections of 40 dwellings

To whomever it may concern,

I am writing to you as an Elsenham resident regarding the erection of 40 dwellings on the land south west of Rush lane Elsenham. I share an opinion held by many Elsentonians, we DO NOT want anymore buildings in our village, we cannot sustain the expansion with the current infrastructure, furthermore the local nature is constantly being destroyed as time goes on with no regard for the animals.

How many times do we residents have to beg and plead to stop the expansion, we are sick of it.

Regards,
Leighton Bishop
