Dear Sir, Section 62A Planning Application Number: S62A/2023/0025 Land to the North of Eldridge Close, Clavering, Essex

I object to this proposal on the following grounds.

I do not see how the new application is particularly different to the pending application.  
I believe these two applicants should be considered together.

The number of Houses has reduced from 32 to 28, this hardly changes the application at all and is still objectional.

My prior objection letter still stands.

Taking into consideration the fact that Uttlesford District Council now has a 5 year housing land supply. This reinforces Local Plan policies and reduces the impact of the presumption in favour of sustainable development.

For these reasons, the application should be REFUSED.

Yours sincerely

Davinia Skinner
