The carer element

4. [ADM F6033](#) gives guidance that when considering whether a carer element is payable, where two or more people are regularly and substantially caring for the same severely disabled person, only one of them will be entitled to have the carer element included in the UC award. From 19.11.23 regulations¹ provide that where a

- 1.** person (A) has an entitlement to CSP **and**

- 2.** person (B) has an entitlement to the carer element of UC

they must jointly elect who shall have entitlement to the carer element. If there is no such election, the Secretary of State, in consultation with the Scottish Ministers, shall decide.

Regular and substantial caring responsibilities

5. [ADM F6010](#) gives guidance that to qualify for an award of a carer element, the claimant must have regular and substantial caring responsibilities for a severely disabled person and would meet that condition if they satisfy the conditions for entitlement to a CA¹. From 19.11.23 regulations² adds to the list

1. those who would be entitled to a CA but for the fact that

1.1 their earnings exceed the prescribed limits **or**

1.2 they are resident or treated as resident in Scotland **or**

1.3 they have a genuine and sufficient link to Scotland **and**

2. those entitled to CSP.
