Aspect	Details
Images	
Alert Number	2311-0023
Product Type	Hobby / sports equipment – Bicycle/E-bike
Product Identifiers	Brand: Kinesis Sales period of affected bikes: From September 2022
Product Description	A two-wheeled electric bicycle fitted with 'Alhonga' branded hydraulic brakes.
Country of Origin	Taiwan
Counterfeit	No
Risk Type	Injuries
Risk level	Not provided
Risk Description	<p>Kinesis UK have identified that some of their Lyfe e-bikes, fitted with 'Alhonga' branded hydraulic brakes, may have the incorrect bolt length fitted. This presents risk of injury to the user as the bolt may come out of the fork during normal riding use.</p> <p>The affected bikes do not meet the requirements of the General Product Safety Regulations 2005.</p>
Corrective Measures	<p>Modification programme.</p> <p>For further information, please access the Kinesis UK safety notice here: https://www.kinesisbikes.co.uk/AdditionalDepartments/Footer-Content/Column-2/Safety-Notices/Lyfe-Front-Brake-Mount-Bolt-Issue-01112023</p>
