

Application for External Waters Licence Norway & Svalbard 2024

The form will take approximately 9 minutes to complete.

UK vessels intending to operate outside British Fishery Limits must have an external waters licence in addition to their base domestic licence.

You can use this form if you are:

- applying to fish in Norwegian exclusive economic zone (EEZ) waters between 12 and 200 nautical miles (or agreed maritime boundaries).
- applying to fish in the fisheries protection zone around Svalbard.

Before you start:

- you will need the vessel details
- you will need to provide owner of vessel details
- you will need to provide details of any nominees

We will aim to action your request within 10 working days.

The Marine Management Organisation will primarily use your data for processing of the form. All information is processed in accordance with our organisational privacy notice. We never sell your data to third parties or use it to market to you without your consent. Please visit our website to view our standards for requesting or storing personal information: ([Personal Information Charter](#)).
