

SOLAR TASKFORCE

Meeting 4, Monday 6th November 2023, Energy Networks Association offices, London, hybrid

Attendees

Solar Taskforce Co-Chairs

- Rt Hon. Graham Stuart MP (virtual)
- Chris Hewett

Core Taskforce

- Gemma Grimes (deputy chair)
- Sarah Redwood (deputy chair)
- Ben Fawcett
- Lawrence Slade
- Liz MacFarlane
- Mark Wakeford
- Adam Howard
- Ross Grier (virtual)

Additional Attendees

- Francis Mann
- Jacob Lacey

With support from officials from the Department for Energy Security and Net Zero.

Apologies from Ian Rippin, Alexandra DeSouza and Matthew Boulton*

**Matthew has joined the Taskforce as EDF's new Director of Solar, Storage and Private Wire replacing Ben Fawcett who recently moved to Exagen but will remain on the Taskforce.*

Summary

- The chairs of each of the five subgroups on (i) networks, (ii) skills, (iii) rooftop solar, (iv) supply chains and innovation and (v) communications updated the Taskforce on their progress and gave initial summaries of the key challenges and actions they propose to include within their respective subgroup's Solar Roadmap chapter.
