

EMPLOYMENT TRIBUNALS

Claimant: C Allison

Respondent: Kingston Upon Hull City Council

JUDGMENT

The claim of disability discrimination is struck out.

REASONS

1. By a letter dated **2 November 2023**, the Tribunal gave the Claimant an opportunity to make representations or to request a hearing, as to why the claim should not be struck out. This is because the Claimant has failed to comply with orders 12 and 13 of the Case Management Orders dated 17 August 2023 and as a consequence it is no longer possible to have a fair hearing of the claim.
2. The Claimant has failed to make representations in writing, or has failed to make any sufficient representations, why this should not be done or to request a hearing. The claim of disability discrimination is therefore struck out.
