1 Introduction and background

- 1.1 This document (**Scheme Document**) is issued by the Secretary of State for Business Energy and Industrial Strategy to establish the Energy Price Guarantee Scheme for Domestic Electricity Consumers in Great Britain (the **Scheme**).
- 1.2 In the current wholesale energy price environment, the Secretary of State wishes to secure reductions (relative to what they would otherwise be) in the electricity bills of domestic consumers in Great Britain.
- 1.3 For that purpose the Secretary of State wishes to establish a scheme under which:
- (a) electricity suppliers will reduce domestic consumer electricity tariffs by an amount (in p/kWh or p/day or both) from time to time (for specified periods) decided by the Secretary of State; and
 - (b) the Secretary of State will pay financial support to electricity suppliers to allow them to make those tariff reductions.
- 1.4 The object (**Object**) of the Scheme is that:
- (a) consumers' energy bills are lower than they would otherwise be, by an amount that directly reflects the reduction(s) in tariffs decided by the Secretary of State from time to time; and
 - (b) to that end, electricity suppliers should pass to consumers, on a p/kWh or a p/day basis or both, as reductions of the tariffs which would otherwise be charged, the whole of the support payments made to electricity suppliers under the Scheme.
- 1.5 The Scheme Document provides for Elexon Limited to have functions relating to Scheme administration. The Balancing and Settlement Code has been modified to authorise Elexon (as BSCCo) to fulfil these functions.
- 1.6 The Scheme Document is made contractually binding between the Parties by the Scheme Agreement.

- (b) determine and give notice (**switch-on notice**) that, with effect from the date specified in the notice, a previously given switch-off notice is revoked, Consumers of the relevant Consumer Payment Class which enter into Fixed Term Contracts on or after the date specified in the switch-on notice:
 - (i) are Excluded Fixed Term Consumers in respect of the Support Rate; or
 - (ii) are not Excluded Fixed Term Consumers in respect of the Standing Charge Support Rate;
- (c) determine and give notice that, with effect from the date specified in the notice, Fixed Rate Consumers of a Consumer Payment Class which (pursuant to a switch-off

notice) are not Excluded Fixed Rate Consumers in respect of the Support Rate are **protected** Fixed Rate Consumers for the purposes of the definition of Reduced Tariff Floor.

7.1.5 A notice given by the Secretary of State under Section 7.1.4:

- (a) may not specify an effective date earlier than the date of the notice;
- (b) shall be publicly available to Consumers and shall make clear that the relevant determination is that of the Secretary of State.

7.1.6 The Secretary of State may change the Support Rate and RTF Table applying in respect of the Support Rate Period which begins on 1 April 2023 (the 1 April SRP), by giving notice of the changed Support Rate and RTF Table no later than 16th March 2023, provided that the changed Support Rate is higher than the Support Rate for the 1 April SRP of which notice was given in accordance with Section 7.1.1.

7.2 Scheme Periods and Timetable

7.2.1 For the purposes of the Scheme, until and unless changed under Section 13:

- (a) the Support Rate Period is a period of three (3) months;
- (b) the Support Payment Period is a period of one (1) week, subject to Sections 9.4.1 and **Error! Reference source not found.**, and subject to and in accordance with Section 7.2.2; and
- (c) the Scheme Timetable is the timetable in Schedule 2 (*Scheme Timetable*).

7.2.2 The first Support Payment Period is a period of three (3) days, starting on the Scheme Commencement Date, and the next Support Payment Period (of one (1) week) starts three (3) days after the Scheme Commencement Date; and the Support Payment Period which is the last to start before the Scheme End Date is the period of days ending on the Scheme End Date, save as set out in Sections 9.4.1 and **Error! Reference source not found.**

7.2.3 Where the Secretary of State considers that market conditions or other circumstances make it appropriate to change any of the details of the Scheme set out or provided for in Section 7.2.1, the Secretary of State may modify the Scheme Document (subject to and in accordance with Section 13) so as to effect such change, provided that such modification may not (except in an urgent case and with agreement of all Suppliers and the Scheme Administrator):

- (a) change a Support Rate Period which is current at the time of the modification or in relation to which the Secretary of State has given notice of the Support Rate under Section 7.1.1(a); or
- (b) result in the first such changed period ending after the prevailing Scheme End Date.

7.3 Consumer Payment Classes

7.3.1 The Consumer Payment Classes, defined by the applicable Payment Method, as specified in SLC 28AD.40, are as follows:

- (a) Standard Credit;

- (b) Prepayment;
- (c) Other Payment Method.

7.3.2 The provisions of the Scheme Document in respect of Consumer Payment Classes (including the provisions of Section 9.8 in respect of CPC Adjustment Amount) apply in respect of a Support Rate Period only where the Secretary of State has decided (in the discretion of the Secretary of State) to determine different Support Rates under Section 7.1.1 in respect of different Consumer Payment Classes for that Support Rate Period.

7.3.3 Where for a Support Rate Period the Secretary of State determines different Support Rates under Section 7.1.1 in respect of different Consumer Payment Classes, the Secretary of State shall designate one of them as the Reference Payment Class for that Support Rate Period and give notice of that designation at the same time as giving notice under Section 7.1.1.

7.4 **Guidance**

The Secretary of State may by notice issue guidance about the operation of the Scheme.

7.5 **Support for Standing Charges**

7.5.1 Schedule 8 has effect.

7.5.2 The Secretary of State shall decide, for each Support Rate Period, whether the SCSP Period is:

- (a) the Support Rate Period, or
- (b) each month within the Support Rate Period;

and shall include that decision in the notice given under Section 7.1.1.

7.6 **Disapplication of certain Sections by notice**

7.6.1 The Secretary of State may by notice disapply any of Sections 7.1.2(a), 8.6 and 9.3.8 in a particular case or cases of a particular description, if the Secretary of State considers (in the discretion of the Secretary of State) that the circumstances of the case make it appropriate that those Section(s) should not apply.

7.6.2 A notice under Section 7.6.1:

- (a) may specify that the disapplication of the relevant Section(s) is subject to conditions or limited in time or both;
- (b) may disapply the relevant Section(s) with effect from a date before the notice is given.

7.6.3 A notice which disapplies Section 7.1.2(a) with effect at any time before the Scheme Document was modified to include that Section operates (at that time) to disapply Section 7.1.2 as prevailing before that modification.

7.7 **Disapplication or modification of certain Sections by Supplier Election**

Schedule 9 has effect.

8 Supplier duty to reduce Tariffs

8.1 Each Supplier must:

- (a) for each Consumer, and for each Tariff Period (other than the first), determine in compliance with law and with all of its duties under the Supply Licence Conditions, and acting in good faith having regard to the Object of the Scheme, the Tariff and Standing Charge which it would have set but for the Scheme; and
- (b) for each Consumer, and for each Tariff Period, reduce:
 - (i) the Base Tariff by the Support Rate which applies, in relation to the Consumer Payment Class to which the Consumer belongs, to that Tariff Period, subject to the Reduced Tariff Floor;
 - (ii) the Base Standing Charge by the Standing Charge Support Rate which applies, in relation to the Consumer Payment Class to which the Consumer belongs, to that Tariff Period, subject to the Reduced Standing Charge Floor.

8.2 Pursuant to Section 8.1, each Supplier must:

- (a) for each Tariff Period, give notice (by the time required under Section 8.3) to each Consumer, for the purposes of the Supply Contract, that the Reduced Tariff will be the Tariff on which (under that contract) the Supplier supplies the Consumer in that period;
- (b) in such notice, set out the Base Tariff, the Tariff Reduction and the Reduced Tariff;
- (c) (without prejudice to Section 8.1(a)) not set or alter Standing Charges in a way which frustrates the Object of the Scheme;
- (d) use all reasonable endeavours to ensure that, when the Supplier sends bills or statements of account to Consumers, those Consumers are made aware of the effect of the Tariff Reduction in the amount billed or stated; and make, and if requested discuss with the Secretary of State, arrangements for that purpose and use reasonable endeavours to accommodate any proposals made by the Secretary of State as to such arrangements;
- (e) for each Tariff Period, reset (for the purposes of SLC 28.2) each Prepayment Meter on the basis of the Reduced Tariff;
- (f) apply (and account on the basis of) the Reduced Tariff in complying with its duties under SLC 21B regarding Billing based on meter readings;
- (g) apply (and account on the basis of) the Reduced Tariff in complying with its duties under the Supply Licence Conditions regarding Consumer payment by direct debit and Customer Credit Balances; and
- (h) comply with the requirements specified in paragraph 3 of Schedule 8.

8.3 Notice under Section 8.2(a) is to be given, in relation to a Tariff Period, by the time (if any) required pursuant to the Supply Licence Conditions or (if no such requirement applies) as soon as reasonably practicable after the start of the Tariff Period (and where applicable, at the same time that the Supplier gives notice of a new or revised Tariff). If for a Customer a

Tariff Period starts within ten (10) Business Days (or such other period as the Secretary of State may specify in guidance) of the start of another Tariff Period, a single notice may be given relating to both Tariff Periods and Tariffs.

- 8.4 If (and for so long as) the Supply Contract does not permit the Supplier to reduce the prevailing Tariff as required by Section 8.1(b):
- (a) the Supplier shall take appropriate action to give effect to the Tariff Reduction for the benefit of the Consumer;
 - (b) such action may include:
 - (i) offering the Consumer the Tariff Reduction and deeming the offer accepted unless the Consumer rejects it; or
 - (ii) notifying the Consumer that payment (of the amount of charges equivalent to the Tariff Reduction) is waived irrevocably; and
 - (c) the Supplier's compliance with paragraph (a) shall be treated as compliance with the Tariff-Setting Requirements in Section 8.1(b) and 8.2(a).
- 8.5 Each Supplier must:
- (a) establish and implement procedures to ensure and monitor its compliance with the Tariff-Setting Requirements and identify any non-compliance, which procedures:
 - (i) must be sufficiently robust and comprehensive to provide a high degree of assurance of compliance and of prompt identification of any non-compliance;
 - (ii) must be disclosed to the Secretary of State on request pursuant to Section 11.1.3;
 - (iii) are subject to audit under Section 11.1.4;
 - (b) deal promptly and fairly with any Consumer complaints about implementing the Scheme or complying with the Tariff-Setting Requirements;
 - (c) where it identifies any error or other failure in its compliance with the Tariff-Setting Requirements:
 - (i) promptly determine any amount charged to the Consumer in excess of what should have been charged, and credit that amount to the Consumer's account or Prepayment Meter (where applicable by providing the Consumer with a voucher, special action message or (failing any other means) by cheque; and
 - (ii) report such error or failure in its next report under Section 11.1.1.
- 8.6 A Supplier may not (except to comply with Section 8.1(b)) make any agreement or arrangement with a Consumer under which the Tariff under any Fixed Rate Contract entered into before the Supplier Scheme Effective Date is or will be varied (within the fixed term period for which it applies) from the Tariff provided for in that contract; and if (in breach of this provision) such an agreement or arrangement is made, the Consumer shall be treated as an Excluded Fixed Rate Consumer for the purposes of Section 9.3.2. This prohibition does not

apply where the Supplier and Consumer agree to end (before the end of the fixed term period) a Fixed Term Contract so that it becomes or is replaced by a Supply Contract which is not a Fixed Term Contract, but without prejudice to Section 9.3.8.

- 8.7 Where the Base Tariff for a Consumer comprises different tariffs applicable to supply at different times of day, unless the Secretary of State has given notice to the Supplier waiving (for a particular tariff or period) this requirement, the Supplier must (in complying with Section 8.1(a)) set each of those tariffs such that the tariff, less the Support Rate, is not less than 1 p/kWh.
- 8.8 Each Supplier must, by the fourteenth (14th) day of each month, provide to the Secretary of State (with copy to the Scheme Administrator) a Certificate of Compliance signed by the Finance Director of the Supplier, in the presence of a witness, as to the Supplier's compliance or any non-compliance, in the preceding month **M**, with the Tariff-Setting Requirements, unless the Secretary of State has, in their discretion, notified the Supplier in writing that it is not required to provide a Certificate of Compliance in respect of month **M**.
- 8.9 Without prejudice to any other remedy of the Secretary of State, where a Supplier has failed to pass the benefit of the Support Rate to a Consumer in accordance with Section 8.1 (other than in error, corrected by a Consumer credit, as provided in Section 8.5(c)):
- (a) the Supplier is liable to repay to the Secretary of State, immediately on demand, the amount not passed to the Consumer; and
 - (b) after giving the Supplier an opportunity to remedy the matter, the Secretary of State may publicly name the Supplier and its failure.
- 8.10 In relation to a Tariff Period which falls within a Support Rate Period for which the Support Rate for a Consumer Payment Class is zero, and in relation to Consumers of that Consumer Payment Class:
- (a) it is acknowledged that no duty of a Supplier arises under Section 8.1(b);
 - (b) provided that the Supplier has informed a Consumer that there is no Tariff Reduction, the duties of a Supplier under Section 8.2 in respect of Tariff Reduction and Reduced Tariff do not apply.

9 Determination of Scheme amounts

9.1 Support Payment

9.1.1 Each Support Payment in respect of a Supplier shall:

- (a) if it is a positive amount, be an amount that is payable by the Secretary of State to that Supplier; or
- (b) if it is a negative amount, be an amount that (disregarding its sign) is payable by the Supplier to the Secretary of State,

in each case subject to and in accordance with the further provisions of the Scheme Document.

9.2 Determination and notification of amounts

9.2.1 For each Support Payment Period, the Scheme Administrator shall, by the Specified Time:

- (a) determine for each Supplier:
 - (i) the Support Period Volume, the Base Support Amount and the Volume Reconciliation Amount, in accordance with Schedule 1;
 - (ii) the amounts to be taken into account in respect of:
 - (A) RTF Adjustment Amount (if any);
 - (B) RTF Estimation Correction Amount; (if any);
 - (C) the CPC Adjustment (if any);
 - (D) any Error Reconciliation Amount;
 - (E) any Provisional UBV Adjustment Amount; and
 - (F) any Ineligible Amount;
 - (iii) the Support Reconciliation Amount; and
 - (iv) the Support Payment;
- (b) determine the Aggregate Support Amount;
- (c) provide to each Supplier a statement (**Support Payment Statement**):
 - (i) setting out the amounts referred to in paragraph (a); and
 - (ii) showing the basis on which such amounts have been calculated;
- (d) provide to the Secretary of State a statement of:
 - (i) the amounts (for all Suppliers) referred to in paragraph (a);
 - (ii) the Aggregate Support Amount.

9.2.2 The Scheme Administrator shall, by the Specified Time, provide to the Secretary of State an estimate (made on such basis as the Secretary of State may reasonably require) of the Aggregate Support Amount in respect of each Support Payment Period.

9.2.3 For the avoidance of doubt, Volume Reconciliation Amounts, Error Reconciliation Amounts and RTF Adjustment Amounts are determined without counting any interest as running (on any amount included in such determination) in respect of the period ending when such amounts are due to be included in a Support Payment Statement.

9.2.4 In determining the Support Payment for a Supplier and a Support Payment Period, the Scheme Administrator shall rely on the statement of the Standing Charge Support Payment sent to it by the Secretary of State under Schedule 8.

9.3 Reduced Tariff Floor

9.3.1 The **RTF Adjustment Amount** for a Supplier and a Support Payment Period is calculated as:

$$- \sum_c (SR - TR_c) * SPV_c$$

where:

\sum_c is the sum over all the Supplier's Fixed Rate Consumers; and

SR is the Support Rate for the Reference Payment Class;

and where, for each Fixed Rate Consumer:

TR_c is the Tariff Reduction; and

SPV_c is the Support Period Volume,

(and consistent with the rule in Section 2.2.3, the RTF Adjustment Amount has negative sign, as an amount representing a credit to the Secretary of State).

9.3.2 In respect of an Excluded Fixed Rate Consumer, the RTF Adjustment Amount shall be determined on the basis that the Tariff Reduction TR_c for such Consumer is zero.

9.3.3 The Secretary of State may, after consultation with Suppliers, determine and give notice of the basis on which amounts in respect of RTF Adjustment Amounts are to be counted in the Support Payment in respect of any Support Payment Period, which may require:

- (a) an estimate of the RTF Adjustment Amount to be made in advance and counted in determining the Support Payment for the Support Payment Period in which the volume 'SPV_c' was supplied to Consumers;
- (b) a subsequent adjustment in a later Support Payment Period by way of reconciliation in respect of such adjustment.

9.3.4 The Supplier shall determine and notify to the Scheme Administrator the amount to be counted (in the Support Payment in respect of any Support Payment Period) in respect of the RTF Adjustment Amount:

- (a) in accordance with any determination of the Secretary of State under Section 9.3.3, or
- (b) (if no such determination has been made) by determining (as its good faith best estimate) and notifying the RTF Adjustment Amount no later than ten (10) Business Days after the Support Payment Period to which it relates; and
- (c) by way of further adjustments of such amount pursuant to Volume Reconciliation and refinements of estimates made under paragraph (b).

9.3.5 If for any Support Payment Period the Supplier does not comply with the requirement (**notification requirement**) to notify the RTF Adjustment Amount to the Scheme Administrator, by the time required under Section 9.3.4(b):

- (a) the Scheme Administrator shall give notice to the Secretary of State and the Supplier to inform them of that fact and of the prospective application of this Section 9.2.4;
- (b) subject to paragraph (c), the Scheme Administrator shall calculate an estimate of such amount applying the methodology in Schedule 6 and use that estimate in calculating the Support Payment;
- (c) paragraph (b) applies:
 - (i) if, by the fifteenth (15th) Business Day after the Support Payment Period, the Supplier has not complied with the notification requirement, or
 - (ii) immediately upon the Supplier not complying with the notification requirement, if the Secretary of State has given notice to the Scheme Administrator that the Secretary of State considers that an Insolvency Event has occurred or is likely to occur in relation to the Supplier;
- (d) for each subsequent Support Payment Period for which the Supplier does not comply with the notification requirement:
 - (i) the Scheme Administrator shall calculate (applying the methodology in Schedule 6) and use an estimate of the RTF Adjustment Amount;
 - (ii) the requirements (in paragraphs (a) and (c)(i) for the Scheme Administrator to give notice to the Secretary of State and the Supplier, and (where applicable) for the Scheme Administrator to wait until the 15th Business Day after the Support Payment Period before using an estimate, do not apply;
- (e) if, for a subsequent Support Payment Period, the Supplier does comply with the notification requirement, the use of the estimated RTF Adjustment Amount will cease (but without prejudice to the further application of this Section 9.3.5 in the event of a further failure to comply with the notification requirement);
- (f) if the Supplier subsequently notifies to the Scheme Administrator the RTF Adjustment Amount for any Support Payment Period for which an estimate was used and the difference between the estimated amount and the RTF Adjustment Amount so notified:
 - (i) the Scheme Administrator will verify the Supplier's calculation of the difference between the estimated amount and the amount so notified;
 - (ii) subject to verification under paragraph (i), an amount (the **RTF Estimation Correction Amount**) equal to one half of that difference shall be counted in calculating the Support Payment in each of the two Support Payment Periods for which the Support Payment Statements are next issued;
- (g) upon being informed of any non-compliance by a Supplier with the notification requirement, the Secretary of State may, in the absolute discretion of the Secretary of State, instruct the Scheme Administrator not to apply or to suspend or delay the application of paragraphs (c) and (d).

9.3.6 For the purposes of Section 9.2 the reference to the RTF Adjustment Amount (in respect of any Support Payment Period) is to the amount which (pursuant to Section 9.3.4) is to be

taken into account in determining the Support Payment for any Support Payment Period (and such amount shall be signed negative or positive consistent with the rule in Section 2.2.3).

9.3.7 The Supplier shall establish adopt a methodology for determining (consistent with any determination by the Secretary of State under Section 9.3.3) the amounts to be taken into account in respect of RTF Adjustment Amounts; and upon request of the Secretary of State, the Supplier shall submit such methodology to the Secretary of State for approval (not unreasonably to be withheld).

9.3.8 Where:

- (a) (as contemplated in the second sentence of Section 8.6) the Supplier has, on or after 1 October 2022, agreed with a Consumer, or otherwise arranged, to end a Fixed Term Contract (the **former** contract) before the end of its fixed term period, and
- (b) the Tariff Reduction determined (disregarding this Section 9.3.8) in respect of the Supply Contract which replaces the former contract (the **new** contract) is greater than the Tariff Reduction in respect of the former contract

then with effect from the later of (1) 13 October 2022 and (2) the date on which the former Fixed Term Contract is ended, until the date at which the fixed term period of the former Fixed Term Contract would otherwise have ended, for the purposes of determining Support Amounts (but not for the purposes of the Tariff-Setting Requirements):

- (c) the new Supply Contract shall be treated as a Fixed Term Contract under which the Base Tariff is the same as the Base Tariff under the former Fixed Term Contract;
- (d) the Reduced Tariff and the RTF Adjustment Amount shall be determined accordingly; and
- (e) the obligations of the Supplier under Sections 9.3.4 and 9.3.7 shall apply accordingly.

9.3.9 Section 9.3.8(a) includes (without limitation) where the Supplier waives any restriction under the Fixed Term Contract on the Consumer ending it before the end of its fixed term period, or waives in whole or in part any liability (for a prescribed payment or for damages or otherwise) of the Consumer under the contract for so ending it; but Section 9.3.8(a) does not include where the Consumer exercised a right (without any such restriction or liability) to end the contract unilaterally.

9.4 End of Scheme

9.4.1 For a Supplier whose participation is ended under Section 14:

- (a) the Support Payment Period which is the last to start before the Supplier End Date shall (subject to Section 6.3.2(b)) continue;
- (b) thereafter each Support Payment Period for that Supplier shall, until Section **Error! Reference source not found.** applies (and for all purposes of the Scheme Document):
 - (i) start on the day after the previous Support Payment Period ends, and
 - (ii) end 4 (four) weeks later or on the Scheme End Date, if earlier.

9.4.2 With effect from the Scheme End Date, each Support Payment Period is (in respect of all Suppliers) a period of one (1) calendar month.

9.5 Statement Error Resolution

9.5.1 For the purposes of the Scheme Document:

- (a) a **Statement Error** is an error in any Support Payment Statement sent to a Supplier, including a failure to use the correct data, an error in a calculation made, or an error in stating the result of such calculation;
- (b) a **Statement Adjustment** is the adjustment required in respect of a Support Payment Statement to correct a Statement Error;
- (c) for the avoidance of doubt, any dispute or query as to the correctness of any data produced under a rule or procedure of or under the BSC is not a Statement Error (any resolution of which under the BSC will be reflected in a Volume Reconciliation Amount).

9.5.2 In this Section 9.5 references to a Party are to the Scheme Administrator and the Supplier to which a Support Payment Statement was sent (but for the avoidance of doubt the Scheme Administrator is not a principal in respect of any payment obligation related to a Statement Error).

9.5.3 If either Party identifies or considers that there is a Statement Error, such Party shall promptly give notice (**Error Query Notice**) to the other Party, stating what it has identified as or considers to be a Statement Error and what it considers to be the Statement Adjustment.

9.5.4 As soon as reasonably practicable after giving or receiving an Error Query Notice:

- (a) the Scheme Administrator shall investigate the matter;
- (b) if the Scheme Administrator is satisfied beyond a reasonable doubt that the Statement Error occurred and that the proposed Statement Adjustment will correct it, the Scheme Administrator shall give notice to the Supplier to that effect and setting out such Statement Adjustment;
- (c) otherwise the Scheme Administrator shall report to the Supplier the conclusion of its investigation, and following such report:
 - (i) the Parties shall seek to agree whether there was a Statement Error and if so what it was, and what Statement Adjustment is necessary to correct it; and
 - (ii) if the Parties agree on such Statement Adjustment, the Scheme Administrator shall give notice to the Supplier setting out the agreed Statement Adjustment;
- (d) if the Parties have not reached such agreement within fifteen (15) Business Days after the Error Query Notice was provided, either of the Secretary of State or the Supplier may seek resolution of the matter as a Dispute in accordance with Section 18.12.

9.5.5 The amount of a Statement Adjustment:

- (a) set out in a notice under Section 9.5.4(b) or Section 9.5.4(c)(ii); or
- (b) determined pursuant to the resolution of a Dispute pursuant to Section 9.5.4(d),

is in each case an **Error Reconciliation Amount** (and shall be signed as positive or negative consistent with the rule in Section 2.2.3).

9.5.6 A Supplier is not entitled to dispute or withhold payment of any amount shown in a Support Payment Statement until and unless it is corrected by a Statement Adjustment either:

- (a) determined in accordance with and notified under Section 9.5.4(b) or Section 9.5.4(c)(ii) so that it is an Error Reconciliation Amount; or
- (b) (subject to Section 9.5.4(d)) determined pursuant to the resolution of a Dispute.

9.6 Unbilled Volume Adjustment

9.6.1 For the purposes of the Scheme Document:

- (a) the **Calculation Month** in respect of each Scheme Month (each a **relevant** Scheme Month in respect of that Calculation Month):
 - (i) for each Scheme Month from and including October 2022 to and including February 2023, is March 2023; and
 - (ii) for each other Scheme Month, is the month immediately following that Scheme Month;
- (b) a **Scheme Month** in respect of a Supplier is October 2022 and each subsequent calendar month that starts before its Supplier End Date;
- (c) the **Unbilled Volume** in respect of a Supplier and any period is the volume of electricity which (subject to Section 9.6.7):
 - (i) is counted in calculating Support Period Volume under paragraphs 2 and 3 of Schedule 1, but
 - (ii) is not billed by the Supplier to a Consumer, and
 - (iii) accordingly, is not volume in respect of which the Supplier provides to a Consumer a reduction in tariffs as provided in Section 1.3; and
- (d) **Unbilled Volume Proportion** means, in respect of a Supplier and any period, Unbilled Volume expressed as a proportion of total volume allocated (in respect of its Consumers) to the Supplier pursuant to the rules and processes of the BSC which are referred to in Schedule 1.

9.6.2 For the purposes of Section 9.6.1(c)(ii), electricity is not billed to a Consumer if (without limitation):

- (a) it is never billed (or it never will be billed) to the Consumer;
- (b) it is billed but the amount billed is subsequently credited to the Consumer.

9.6.3 Without limitation, Unbilled Volume may include:

- (a) unbilled consumption on a change of Consumer at particular premises;
- (b) unbilled consumption on a change of Supplier in respect of particular premises;
- (c) consumption written off following a Consumer complaint;
- (d) consumption for which the Supplier is prevented from invoicing the Consumer by the operation of SLC 21BA;
- (e) over-estimated consumption which is not reconciled by Volume Reconciliation.

9.6.4 Adjustments shall be made in respect of Unbilled Volume:

- (a) on a provisional basis as described in Section 9.6.6; and
- (b) on a final basis as described in Section 9.9.

9.6.5 The Supplier shall, by the twentieth (20th) day of each Calculation Month, provide to the Scheme Administrator a statement setting out:

- (a) the Supplier's best estimate of the Unbilled Volume Proportion for the twelve (12) months that started twenty-four (24) months, and ended twelve (12) months, before the start of that Calculation Month;
- (b) the Provisional UBV Adjustment Amount(s), to be determined in accordance with Section 9.6.6 as required by Section 9.6.7.

9.6.6 The **Provisional UBV Adjustment Amount** for a Supplier for each Scheme Month is calculated as follows (and has negative sign):

$$\text{EUVP} * \text{ASPM}$$

where:

- (a) EUVP is:
 - (i) subject to paragraph (ii), the estimate of Unbilled Volume Proportion provided by the Supplier under Section 9.6.5 in the Calculation Month for that Scheme Month, unless that estimate is negative in which case EUVP is zero;
 - (ii) if the Supplier fails to provide such estimate, five (5) percent or such lower proportion as the Secretary of State shall (in its absolute discretion) determine and notify the Scheme Administrator.
- (b) ASPM is the aggregate of the Support Payments (excluding Standing Charge Support Payments) paid or payable to the Supplier for each Support Payment Period that commenced during that Scheme Month, adding back any Provisional UBQ Adjustment Amounts taken into account in those Support Payments.

9.6.7 A provisional adjustment shall be made in respect of Unbilled Volume in calculating the Support Payment for the last Support Payment Period to start in each Calculation Month, by counting in that Support Payment the Provisional UBV Adjustment Amount for the relevant

Scheme Month in respect of that Calculation Month, or in the case of the Calculation Month March 2023, such amounts for each relevant Scheme Month from and including October 2022 to and including February 2023.

- 9.6.8 The Supplier must provide to the Secretary of State such further information as the Secretary of State requires for the purposes of verifying any of the Supplier's estimates of Unbilled Volume.

9.7 Ineligible Amounts

- 9.7.1 This Section 9.7 applies in any case (**Ineligibility Case**) where:

- (a) the procedures in Schedule 1 result in the determination of any amount, counted within a Support Payment, which does not reflect a tariff reduction made pursuant to the Scheme by a Supplier to a consumer which is a Domestic Consumer (an **Ineligible Amount**, which has negative sign); and
- (b) that determination will not be corrected by a Volume Reconciliation Amount or as Unbilled Volume and is not the subject of an Error Query Notice.

- 9.7.2 Without limitation, Section 9.7.1 applies where a meter point of a consumer which is not a Domestic Consumer is taken into account in applying the procedures in Schedule 1.

- 9.7.3 Each Supplier must use reasonable diligence to identify any Ineligibility Case.

- 9.7.4 The Supplier must, promptly upon identifying or otherwise becoming aware of an Ineligibility Case not already counted (as a deduction) in calculating a Support Payment, send to the Scheme Administrator and the Secretary of State a statement setting out:

- (a) details of the Ineligibility Case and the circumstances in which it arose;
- (b) the period to which the Ineligibility Case relates;
- (c) the Ineligible Amount.

- 9.7.5 The Ineligible Amount shall be counted (as a deduction) in calculating the Support Payment for the Payment Support Period in which the Supplier sends the statement under Section 9.7.4

- 9.7.6 Where a Supplier sends a statement under Section 9.7.4:

- (a) the Supplier or the Scheme Administrator may (by notice to the other of them, copied to the Secretary of State) make a proposal to vary how the procedures in Schedule 1 are applied with the object of avoiding the continuance or recurrence of the Ineligibility Case;
- (b) if the Supplier makes such a proposal, the Scheme Administrator shall implement the proposal if it is practicable to do so and the Scheme Administrator considers that it will achieve the object in paragraph 9.7.6(a);
- (c) if the Scheme Administrator makes such a proposal, the Scheme Administrator shall implement the proposal unless, upon application of the Supplier, the Secretary of State directs it not to do so.

9.7.7 A failure by a Supplier to identify or give notice of an Ineligibility Case or to determine an Ineligible Amount correctly is treated as a Statement Error for the purposes of Section 9.5.

9.7.8 Section 9.7.9 applies where, in relation to an Ineligibility Case:

- (a) an Ineligible Amount has been counted (as a deduction) in a Support Payment; and
- (b) the subsequent operation of Schedule 1 has resulted in adjustments in later Support Payments which, taken together with the deduction (as described in paragraph (a)) of the Ineligible Amount, result in the Supplier having been under- or over-funded by Support Payments for Tariff Reductions made.

9.7.9 Where this Section applies:

- (a) the amount payable to or by the Supplier to correct the under- or over-funding is treated as a further Ineligible Amount, and may have positive or negative sign;
- (b) Section 9.7.4 (disregarding the words '(as a deduction)') applies as if the circumstance in Section 9.7.8(b) were a separate Ineligibility Case;
- (c) Section 9.7.5 applies but on the basis that the Ineligible Amount is added or deducted according to its sign.

9.8 CPC Adjustment

9.8.1 The **CPC Adjustment Amount** for a Supplier and a Support Rate Period is calculated as:

$$\sum_S \sum_P \sum_{C,P} \{(ASR_P - SSR) * SPV_{C,P}\} + Adj_{SRP-1}$$

where:

\sum_S is the sum over all Support Payment Periods that fall (in whole or part) within the Support Rate Period

\sum_P is the sum over Consumer Payment Classes other than the Reference Payment Class

SSR is the Support Rate for the Reference Payment Class

Adj_{SRP-1} is an adjustment in respect of the CPC Adjustment Amount (if any) for the preceding Support Rate Period determined as the difference between that amount, and that amount recalculated on the basis of Support Period Volume as adjusted to take account of subsequent Volume Reconciliation

and where, for each Payment Class (P)

$\sum_{C,P}$ is the sum over all the Supplier's Consumers belonging to Payment Class P; and

ASR_P is the Support Rate for Payment Class P;

and where, for each of the Supplier's Consumers belonging to Payment Class P;

SPV_{C,P} is the Support Period Volume (or where the Support Payment Period starts before or ends after the relevant Support Rate Period, that part of such volume supplied within the relevant Support Rate Period)

(and consistent with the rule in Section 2.2.3, the CPC Adjustment Amount has positive sign (disregarding the term Adj_{SRP-1}), as an amount representing a credit to the Supplier)

9.8.2 The Supplier shall determine for each Support Rate Period, and notify to the Scheme Administrator and the Secretary of State, the CPC Adjustment Amount no later than ten (10) Business Days after that Support Rate Period.

9.8.3 The CPC Adjustment Amount shall be counted in the Support Payment in respect of the first Support Payment Period to start after the Support Rate Period.

9.9 Final Reconciliation

9.9.1 The Supplier shall, within the fifteen (15) days starting on the relevant date, provide to the Scheme Administrator and the Secretary of State:

(a) the data required to calculate the aggregate amount payable to the Supplier, in accordance with the Scheme Document, in respect of electricity supplied in the period (**Supplier Scheme Period**) from the Scheme Commencement Date to the Supplier End Date (both dates inclusive);

(b) such supporting data and explanation as the Secretary of State may require to support and justify the data under paragraph (a), and to reconcile it with data and calculations previously provided and made under the Scheme.

9.9.2 The data includes the following, in respect of each Support Payment Period in the Supplier Scheme Period:

(a) Support Period Volume;

(b) Unbilled Volume;

(c) Ineligible Amount;

(d) RTF Adjustment Amount;

(e) customer numbers by day and Standing Charge Reductions;

(f) such other data as the Secretary of State may require.

9.9.3 As soon as reasonably practicable after receiving the data under Section 9.9.1 the Scheme Administrator shall:

(a) calculate the net aggregate amount payable to the Supplier under the Scheme in respect of the Supplier Scheme Period;

(b) calculate the difference (**Final Reconciliation Amount**) between that aggregate amount and the aggregate amount paid to the Supplier under the Scheme;

(c) prepare and send to the Supplier and the Secretary of State a final Support Payment Statement setting out the Final Reconciliation Amount.

9.9.4 In Section 9.9.1 the relevant date is the earlier of:

- (a) the date that is 14 months after the Supplier End Date; and
- (b) the later of:
 - (i) the date that is 14 months after the last day of the last Support Rate Period for which the Reference Support Rate was not zero;
 - (ii) the date that is 3 months after the Scheme End Date.

9.10 Supplier Payment Reserve

Schedule 7 has effect.

10 Payment of Scheme amounts

10.1 Bank accounts

10.1.1 The Scheme Administrator shall:

- (a) establish (unless already established) and thereafter maintain (in compliance with Section 10.2) a dedicated, segregated and interest earning bank account (the **Scheme Account**) to receive and hold amounts payable to and by it under the Scheme Document; and
- (b) provide details of the Scheme Account to the Secretary of State and by the Supplier Scheme Effective Date each Supplier.

10.1.2 Subject to and without prejudice to the requirements of Section 10.2, the Scheme Administrator may change the Scheme Account on giving the Secretary of State and each Supplier not less than ten (10) Business Days' advance notice of the new Scheme Account details.

10.1.3 Each Supplier:

- (a) shall (not later than two (2) Business Days after the Supplier Scheme Effective Date) notify to the Scheme Administrator details of the bank account to which amounts payable to it under the Scheme Document are to be paid; and
- (b) may change such account on giving the Scheme Administrator not less than ten (10) Business Days' advance notice of the new account details.

10.1.4 The Secretary of State:

- (a) shall notify to the Scheme Administrator details of the bank account to which amounts payable to the Secretary of State under the Scheme Document are to be paid; and
- (b) may change such account on giving the Scheme Administrator not less than ten (10) Business Days' advance notice of the new account details.

10.1.5 The details of a bank account to be notified under this Section 10.1 or Section 10.2.5(d) are: bank name, branch name, sort code, account name and account number.

10.2 Scheme Account

- 10.2.1 The Scheme Administrator holds all funds from time to time standing to the credit of the Scheme Account on trust for the Secretary of State as sole beneficiary until they are paid out in accordance with the Scheme.
- 10.2.2 The Scheme Administrator shall promptly upon the Scheme Account being opened in accordance with Section 10.1.1 (or if later, by the Scheme Commencement Date) or changed in accordance with Section 10.1.2 give notice of the trusts under Section 10.2.1 to the account bank at which the Scheme Account is held and seek written acknowledgement from the account bank of that notice.
- 10.2.3 The Scheme Administrator shall not pay any sums into or out of the Scheme Account except pursuant to the Scheme Document, and shall require that all sums payable to it from any Party pursuant to the Scheme Document are paid directly by that Party into the Scheme Account. The Scheme Administrator shall not create any security over the Scheme Account; or permit the Scheme Account to be overdrawn.
- 10.2.4 Each Party shall make all payments it is required by the Scheme Document to make to the Scheme Administrator directly to the Scheme Account.
- 10.2.5 The Scheme Account bank must be a UK bank which has a rating for its long-term unsecured and non credit-enhanced debt obligations of A+ or higher by Standard & Poor's Rating Services or Fitch Ratings Ltd or A1 or higher by Moody's Investors Service Limited or a comparable rating from an internationally recognised credit rating agency. If the account bank ceases to have such a credit rating, the Scheme Administrator must:
- (a) immediately notify the Secretary of State;
 - (b) as soon as reasonably practicable open an account with a UK bank which has a credit rating which meets the above requirements (which shall then become the Scheme Account in place of the previous such account);
 - (c) promptly comply with Section 10.2.2 in relation to the new Scheme Account; and
 - (d) promptly provide details of the new Scheme Account to the Secretary of State and each Supplier.
- 10.2.6 Any amounts (pursuant to the Scheme) received by the Scheme Administrator into an account other than the Scheme Account (including, without limitation, into a former Scheme Account) shall be promptly transferred by the Scheme Administrator to the Scheme Account (and such amounts shall be held on trust for the Secretary of State pending such transfer).
- 10.2.7 The Scheme Administrator shall account to the Secretary of State for any amounts:
- (a) accruing to the Scheme Account by way of interest earned on the balance in such account; or
 - (b) paid to the Scheme Administrator by a Supplier as default interest under Section 10.10,
- either (as the Secretary of State shall choose) by deducting such amounts in calculating Aggregate Support Amounts or by paying such amounts to the Secretary of State.

10.2.8 If there is any balance in the Scheme Account at the time the Scheme Agreement is terminated under Section 6.3.6, the Scheme Administrator shall pay such amount to the Secretary of State.

10.3 Payment of Aggregate Support Amount and Support Amounts

10.3.1 In respect of each Support Payment Period, by the Specified Time, subject to Section 10.3.4, the Secretary of State shall pay the Aggregate Support Amount to the Scheme Administrator.

10.3.2 In respect of each Support Payment Period, the Scheme Administrator shall (in each case subject to Section 10.2):

- (a) receive and hold each Aggregate Support Amount paid to it by the Secretary of State; and
- (b) by the Specified Time, in respect of amounts payable by and to the Secretary of State:
 - (i) subject to Section 10.6 and Section 10.3.4, pay each positive Support Payment in respect of a Supplier, to the Supplier;
 - (ii) receive and hold each negative Support Payment paid to it by a Supplier.

10.3.3 In respect of each Support Payment Period, each Supplier shall in respect of amounts payable by the Secretary of State to it, and by it to the Secretary of State:

- (a) receive each positive Support Payment that is paid to it by the Scheme Administrator;
- (b) by the Specified Time, pay each negative Support Payment due to be paid by it, to the Scheme Administrator.

10.3.4 The Scheme Administrator may, when making payment to a Supplier of any amount shown in a Support Payment Statement as payable to a Supplier, set off from that amount any unpaid amount due from that Supplier to the Secretary of State under the Scheme.

10.3.5 If in respect of any Support Payment Period the Aggregate Support Amount is payable to the Secretary of State, the Scheme Administrator shall pay such amount to the Secretary of State by the Specified Time.

10.4 Payment obligations determined by statements

10.4.1 The obligation of a Party to pay a Support Payment is to pay the amount stated in the Support Payment Statement in respect of such Support Payment.

10.4.2 Where a Party disputes an amount in a Support Payment Statement, Section 9.5 shall apply, and accordingly such amount shall be paid in full pending determination of an Error Reconciliation Amount pursuant to that Section.

10.5 Scheme Administrator as agent of the Secretary of State

10.5.1 In making and receiving payments under the Scheme, the Scheme Administrator acts as agent of the Secretary of State, who has the primary obligation to make payments to Suppliers and the primary right to receive payments from them.

10.5.2 The obligation of the Secretary of State to make payment of a Support Payment to a Supplier is satisfied by payment by the Scheme Administrator of the Support Payment to the Supplier.

10.5.3 The obligation of a Supplier to make payment of a Support Payment to the Secretary of State is satisfied by payment by the Supplier of the Support Payment to the Scheme Administrator.

10.6 Supplier payments condition

10.6.1 Subject to Section 10.6.3, no Support Payment shall be payable by the Secretary of State to a Supplier:

- (a) at any time at which the Supplier has not complied with the obligation to provide a Certificate of Compliance under Section 8.7; or
- (b) if a Certificate of Compliance discloses any non-compliance with the Tariff-Setting Requirements which the Secretary of State considers (in their discretion) to be a material non-compliance, unless at the same time as providing such certificate the Supplier satisfies the Secretary of State that such non-compliance will be remedied promptly; or
- (c) if the Secretary of State has given notice to the Supplier of a breach of the Supplier's obligations under the Scheme Document (other than of the kind specified in Section 10.6.1(a) or Section 10.6.1(b)), and in the Secretary of State's reasonable belief such breach remains unremedied, and such breach is of such materiality that it prejudices the Object of the Scheme generally or in relation to some or all of that Supplier's Consumers.

10.6.2 Accordingly, the Scheme Administrator shall not pay any Support Payment to a Supplier where the Secretary of State has given the Scheme Administrator a direction in writing that paragraph (a), (b) or (c) of Section 10.6.1 applies (but in the absence of such a direction, the Scheme Administrator is not required to decide whether any such paragraph applies).

10.6.3 Where pursuant to Section 10.6.1, a Support Payment was not made, and subsequently (as the case may be) the Supplier provides the relevant Certificate of Compliance, or the Supplier satisfies the Secretary of State (in their discretion) that the non-compliance disclosed in such a certificate has been remedied, or (but without prejudice to Section 14.2.1) that the previously unremedied breach has been remedied, the Support Payment that was not made will be payable and the Secretary of State shall authorise the Scheme Administrator to make such payment.

10.7 Payments from Scheme Administrator to Suppliers

10.7.1 Without prejudice to the Secretary of State's obligations as to payment of Support Payments, the Scheme Administrator is not obliged on any day to make payment to Suppliers of any amount greater than the amount standing to the credit of the Scheme Account on that day (and if such amount is insufficient to pay in full the amounts otherwise payable to Suppliers, the Scheme Administrator shall make payment pro rata those amounts).

10.7.2 In the event of any delay or failure in payment by the Scheme Administrator of any Support Payment to a Supplier, the Supplier shall as soon as practicable notify the Scheme Administrator and the Secretary of State of such delay or failure and (without prejudice to the Secretary of State's obligations as to payment of Support Payments) the relevant Parties shall seek to resolve the matter promptly.

10.8 Basis of payment

- 10.8.1 Where a Party is to make payment of any amount to another Party under the Scheme Document, the paying Party shall make such payment by direct bank transfer or equivalent transfer of immediately available funds into the account notified to it by the recipient pursuant to Section 10.1.
- 10.8.2 Subject to Sections 10.3.4 and 10.6.2, all payments under the Scheme Document shall be made without set-off, withholding or any deduction of any kind including, but not limited to, for any Tax (unless required by applicable law), banking transfer or other costs or claims.
- 10.8.3 Without limitation of Section 10.8.2, and for the avoidance of doubt, neither a Supplier nor Elexon (as Scheme Administrator) may set off, against any amount payable under the Scheme Document, any amount payable by either of them under the BSC.
- 10.8.4 If a Party is required by applicable law to make a withholding or deduction as referred to in Section 10.8.2, that Party shall:
- (a) ensure the withholding or deduction does not exceed the minimum amount the law requires; and
 - (b) increase the amount payable so the net amount the recipient Party receives and holds equals the amount it would have received and held if the law had not required the withholding or deduction.

10.9 VAT

The Parties acknowledge that:

- (a) the Support Payments are not consideration for any taxable supply for VAT purposes; and
- (b) neither the Secretary of State nor the Scheme Administrator nor a Supplier is liable to pay any amounts in respect of VAT in addition to the Support Payments or other payments under the Scheme.

10.10 Default interest

- 10.10.1 If any Supplier or the Secretary of State fails to pay any amount payable by it under the Scheme Document on its due date, simple interest shall accrue on the overdue amount from the due date up to the date of actual payment (both before and after judgment) at a rate of two (2)% above the applicable Base Rate.
- 10.10.2 Any interest accruing under this Section 10.10 to the Secretary of State or a Supplier shall be payable on demand by the Party to which it is owed.
- 10.10.3 Without prejudice to Section 10.10.2, where any amount is payable by or to a Supplier in respect of interest under this Section 10.10, the amount of such interest accrued up to the Statement Reference Date shall be shown as an additional item on each Support Payment Statement. Payment to the Scheme Administrator shall be treated as satisfying a demand under Section 10.10.2.

10.10.4 Except by way of payment to a Supplier of an amount paid by the Secretary of State in respect of interest under this Section 10.10, no interest shall accrue on any amount of which there is delay in payment by the Scheme Administrator.

11 Reporting and audit

11.1 Suppliers

11.1.1 Each Supplier shall (subject to Clause 11.1.2), in respect of each month (M) within which the Supplier is a Party, submit to the Secretary of State a report (a **Monthly Report**) by the fourteenth (14th) day of the following month (or if such day is not a Business Day, the next Business Day), setting out each of the following (each an **MR Component**):

- (a) a summary of the procedures established under Section 8.5(a) or any changes to such procedures since the previous report;
- (b) in respect of month M, a summary statement of Tariff Periods which started in the month and (for each relevant Tariff) the Base Tariff, Reduced Tariff and Tariff Reduction;

 - (iii) the total amount (in £) of the Tariff Reductions applicable to the volumes in (i);
 - (iv) the total amount (in £) of RTF Adjustment Amounts; and
 - (v) an explanation of any discrepancy between the amounts in (ii), (iii) and (iv) which is not expected to be eliminated by future Volume Reconciliation Amounts, Provisional UBV Adjustment Amounts, CPC Adjustment Amounts or Ineligible Amounts;
- (d) a statement and explanation of any error or failure identified in month M as referred to in Section 8.5(c) and whether it has been addressed as provided in paragraph (i) of that Section;
- (e) where (as contemplated in the second sentence of Section 8.6) the Supplier has agreed with a Consumer to end the fixed term period of a Fixed Term Contract, the date with effect from which it was ended, an estimate of the annual consumption of the Consumer, and the following details of the Fixed Term Contract (prior to its being ended): Unit Rate, standing charges under the Fixed Term Contract, end-date of the fixed term period; and
- (f) the Provisional UBV Adjustment Amount for the Scheme Month for which the Supplier provided a statement to the Scheme Administrator in month M-1, together with an explanation of the basis of estimation of Unbilled Volume Proportion used to determine that amount.

11.1.2 The Secretary of State may, in their discretion, notify a Supplier in writing in respect of any MR Component that:

- (a) it is not required to provide that MR Component for a given month M; or
- (b) it is only required to provide that MR Component (a **Nil Return Component**) for a given month M if there is anything to report;

and (following such notice) the requirement for that Supplier to provide a Monthly Report in respect of that month M shall be altered accordingly, provided that, if there is nothing to report in respect of a Nil Return Component for month M, the Supplier shall notify the Secretary of State of that (whether in the Monthly Report or separately).

11.1.3 Each Supplier shall provide such further information as the Secretary of State may at any time reasonably require relating to the Supplier's compliance with the Tariff-Setting Requirements.

11.1.4 The Secretary of State may audit the records of each Supplier:

- (a) to assess its compliance with the Tariff-Setting Requirements and with the requirements in Section 9.2.4, and the accuracy of its reports under Section 11.1.1 and information provided under Section 11.1.3 and Schedule 8; and
- (b) to enable the National Audit Office to carry out an examination pursuant to Section 6(1) of the National Audit Act 1983 of the economy, efficiency and effectiveness with which the Secretary of State has used its resources.

11.1.5 The Secretary of State may nominate an appropriate public body or a suitably qualified professional to receive any communication from a Supplier under Section 11.1.1 or 11.1.3 or exercise (on behalf of the Secretary of State) any of the Secretary of State rights under this Section 11.1 and report its findings to the Secretary of State.

11.1.6 Each Supplier shall procure for the Secretary of State (or their nominee under Section 11.1.5) access to premises, personnel, data, information and records sufficient to enable the proper performance of any audit to be carried out under Section 11.1.4.

11.1.7 In respect of Consumers in relation to which a Supplier is acting pursuant to a Last Resort Supply Direction, the Secretary of State will give reasonable consideration to a request from the Supplier to limit or qualify (for a reasonable period of time) the information included in reports under Section 11.1.1.

11.2 Scheme Administrator

11.2.1 The Scheme Administrator shall, in respect of each month (M) in which the Scheme Document is in force, submit to the Secretary of State by the fourteenth (14th) day of the following month (or if such day is not a Business Day, the next Business Day), a report setting out:

- (a) details of those Suppliers, in month M:
 - (i) which acceded to the Scheme Agreement;
 - (ii) for which the Supplier Scheme Effective Date occurred in month M;

- (iii) for which the Supplier End Date occurred in the month; and
 - (iv) which ceased to be a Party in the month;

 - (i) the balance on the first and last days of month M;
 - (ii) the amount of any interest accrued on the balance from time to time in the account;

- (d) in respect of payments made by or to Suppliers in month M:
 - (i) any amounts due for payment by a Supplier which are unpaid at the end of month M;

- (e) in respect of Statement Errors, a summary and explanation of:
 - (i) all Error Query Notices given in month M; and
 - (ii) all Statement Errors which were resolved in month M.

11.3 Rights to audit Scheme Administrator

11.3.1 The Secretary of State may audit, or appoint a suitably qualified professional to audit, the records of the Scheme Administrator to assess its compliance with the Scheme Document and/or the accuracy of reports under Section 11.2.1.

11.3.2 The Scheme Administrator shall procure for the Secretary of State (or their nominee) access to premises, personnel, data, information and records sufficient to enable the proper performance of any audit to be carried out under Section 11.3.1.

11.4 Energy Price Guarantee Assurance Programme

11.4.1 Each Supplier and the Scheme Administrator are bound by and shall comply with Schedule 5 (*Energy Price Guarantee Assurance Programme (EPGAP)*).

12 Designation of Scheme Administrator and change in designation

12.1 The Secretary of State hereby designates Elexon as sole Scheme Administrator with effect on and from the date of the Scheme Agreement.

- 12.2 If at any time after the Scheme Commencement Date the Secretary of State considers that:
- (a) the performance of the Scheme Administrator;
 - (b) any change in the status or resources or functions (other than under the Scheme) of the Scheme Administrator;
 - (c) any modification of the Scheme; or
 - (d) any modification of the BSC or any procedure under the BSC,

makes it appropriate to do so, the Secretary of State may modify the Scheme Document in accordance with Section 13.

- 12.3 A modification of the Scheme Document under Section 12.2 may:

- (a) create new functions or alter existing functions for administration of the Scheme Administrator (**administration functions**);
- (b) divide the administration functions so that they are to be discharged by more than one person;
- (c) designate any person as a Scheme Administrator to discharge any of the administration functions;
- (d) remove any or all of the administration functions from those to be discharged by the existing Scheme Administrator (and, if it has no remaining functions, remove the designation of the existing Scheme Administrator); and/or
- (e) modify this Section 12 so as to operate by reference to the Scheme Document as so modified.

- 12.4 The Secretary of State may not modify the Scheme Document under Section 12.2 unless:

- (a) there will be designated, for each of the administrative functions, a person to act as Scheme Administrator;
- (b) each such person has consented so to act and (if not already a Party) has acceded or will accede to the Scheme Agreement;
- (c) the Secretary of State is satisfied that each such person has:
 - (i) the resources, and use of and access to the data and systems, necessary to enable it to discharge those functions; and
 - (ii) the authority to do so of any person who (in law or contract) has the right to object to such use and access.

- 12.5 Each Party hereby irrevocably and unconditionally authorises the Secretary of State to execute and deliver on behalf of such Party an Accession Agreement duly executed by a person to be designated (pursuant to Section 12.3(c)) as Scheme Administrator (such person a **new Scheme Administrator**), and to admit such person as a party to the Scheme Document.

- 12.6 The rights and obligations of a new Scheme Administrator pursuant to the Scheme Document are effective and binding on and with effect from the later of:
- (a) the date on which it becomes a Party; and
 - (b) the date of its designation as a Scheme Administrator under Section 12.3(c).
- 12.7 Subject to any contrary provision in a modification under Section 12.2, where a new Scheme Administrator is designated to discharge given administration functions, the rights and obligations of the outgoing Scheme Administrator in respect of those functions shall end on the new Scheme Administrator's rights and obligations coming into effect in accordance with Section 12.6 (but without prejudice to the accrued rights and obligations of the outgoing Scheme Administrator).
- 12.8 This Section 12.8 applies if Elexon, having discussed the matter with the Secretary of State, reasonably considers and gives notice to the Secretary of State that:
- (a) for reasons not foreseen at the Scheme Start Date, the performance of its functions as Scheme Administrator under the Scheme Document is materially prejudicing the proper operation of the BSC or the proper performance of its functions as BSCCo under the BSC; or
 - (b) performing those functions following any proposed modification of the Scheme Document would:
 - (i) materially prejudice the proper operation of the BSC or the proper performance of Elexon's functions as BSCCo under the BSC; or
 - (ii) substantially increase Elexon's costs of such performance.
- 12.9 Where Section 12.8 applies:
- (a) in a case within paragraph (a) of that Section; or
 - (b) in a case within (b) of that Section:
 - (i) if the Secretary of State proceeds to make the proposed modification; and
 - (ii) in a case within paragraph (b)(ii), unless the Secretary of State agrees to make arrangements for the funding of the increased amount of Elexon's costs,

Elexon may on giving not less than six (6) months' notice to the Secretary of State withdraw from its role as Scheme Administrator, subject to Section 12.10.

- 12.10 Where Elexon gives notice of withdrawal under Section 12.9, Elexon shall:
- (a) do all things reasonably requested by the Secretary of State to facilitate a replacement Scheme Administrator to assume the performance of its functions;
 - (b) provide to such replacement Scheme Administrator, on a continuing basis, the same data about the volumes of electricity supplied to Consumers that Elexon uses to comply with Schedule 1;

- (c) licence (on a non-exclusive and free-of-charge basis, for the purposes of use by the replacement Scheme Administrator in its Scheme functions) to the Secretary of State or replacement Scheme Administrator the algorithms (and intellectual property in them) developed specifically for the Scheme by which it derives or processes the data in paragraph (b) for use in complying with Schedule 1.

13 Modification of the Scheme

13.1 The Secretary of State may (subject to and in accordance with this Section 13) modify the Scheme Document:

- (a) as provided for under Sections 7.2.3 and 12.2;
- (b) if in the judgement of the Secretary of State the Scheme is failing in a material way to achieve the Object, as appropriate (in the judgement of the Secretary of State) to correct that failure;
- (c) if (in the judgement of the Secretary of State) necessary as a result of or in connection with a modification made or to be made to the BSC or the Supply Licence Conditions;
- (d) if it becomes apparent to the Secretary of State that the Scheme:
 - (i) is resulting in excessive profits for Suppliers; or
 - (ii) is allowing Suppliers to realise a benefit in respect of VAT in relation to supplies to Consumers;
- (e) not used; or
- (f) otherwise where Secretary of State considers it appropriate to do so and provided the modification is not materially adverse to the interests of Suppliers generally or any class of Suppliers.

13.2 No modification of the Scheme Document under this Section 13:

- (a) will modify the Object of the Scheme in such a way as to change fundamentally the nature of the Scheme;
- (b) will have the effect that Suppliers (having complied with the Tariff-Setting Requirements) are unable to recover (as Support Payments) amounts in respect of the Support Rate for volumes of electricity supplied to Consumers:
 - (i) prior to the date with effect from which the modification is made; or
 - (ii) (except in the case of a modification pursuant to Section 13.1(d), and except as permitted under Section 7.2.3) within the remaining term of the Support Rate Period which is current when the modification is made or within the term of a Support Rate Period of which notice has been given under Section 7.1.1.

13.3 Where the Secretary of State proposes to modify the Scheme Document pursuant to Section 13.1:

- (a) the Secretary of State shall give notice to each other Party:

- (i) setting out the proposed modification, the reasons for it and the date from which it is proposed to be effective; and
 - (ii) inviting representations in respect of the proposal (including the financial impact of the proposal on Suppliers, and the feasibility of its implementation by the proposed effective date) within such period as the Secretary of State (having regard to the urgency of the case and any prior informal consultation on the proposal with Parties) shall decide;
- (b) the Secretary of State may publicise the proposal in such other manner as the Secretary of State decides;
 - (c) the Secretary of State shall consider any representations from any Party that are notified to the Secretary of State within the period specified in the notice (as well as representations received from other persons);
 - (d) following such consideration, the Secretary of State may modify the Scheme Document on the basis of the original proposal or (subject to paragraph (e)) such variation of it as the Secretary of State decides;
 - (e) if the Secretary of State considers that such a variation of the proposal departs materially from the original proposal, so that Parties should have a further opportunity to make representations in respect of it, the Secretary of State will give a further notice pursuant to paragraph (a).
- 13.4 When (following a notice of proposed modification under Section 13.3(a)) the Secretary of State has decided whether or not to modify the Scheme Document, the Secretary of State shall publish (no later than the notice under Section 13.5, where applicable) the decision together with the reasons for the decision and the conclusions the Secretary of State reached in respect of representations received under Section 13.3(c).
- 13.5 The modification of the Scheme Document shall be made by notice given by the Secretary of State either attaching the modified Scheme Document or setting out the modification of the Scheme Document and stating the date on which it is effective; and the Scheme Document is hereby modified in accordance with such notice.
- 13.6 The Parties shall be bound pursuant to the Scheme Agreement by the Scheme Document as from time to time modified under this Section 13.

14 Early end of a Supplier's participation

14.1 Automatic ending

A Supplier's participation in the Scheme will automatically end if the Supplier ceases to hold a Supply Licence.

14.2 Discretionary ending

14.2.1 Section 14.2.2 shall apply in relation to a Supplier if:

- (a) an Insolvency Event occurs in relation to the Supplier (except where the Supplier is subject to an energy supply company administration order under the Energy Act 2011);
- (b) either:

Schedule 1 – Scheme Calculations

1 Support Payment Period

- 1.1 A Support Payment Period will include BSC Supplier Volume Allocation Agent (SVAA) Volume Allocation Runs as published in the BSC Settlement Calendars available up to the Friday of each week.
- 1.2 In each Support Payment Period, there will be a combination of Settlement Dates for which a Base Support Amount or a Volume Reconciliation Amount is calculated.
- 1.3 Base Support Amounts will be calculated for the Interim Information (II) Volume Allocation Run Type.
- 1.4 Volume Reconciliation Amounts will be calculated for the Initial (SF), First Reconciliation (R1), Second Reconciliation (R2), Third Reconciliation (R3) and Final Reconciliation (RF) Volume Allocation Run Types.
- 1.5 A report (EPG Base Support and Reconciliation Report) will be provided by the Scheme Administrator to Suppliers to validate the Base Support Amounts and Volume Reconciliation Amounts calculated for all Settlement Dates and Volume Allocation Run Types within a Support Payment Period.

2 Support Volume Calculations

- 2.1 The Scheme Administrator shall use data from the SVAA.

2.2 *Non Half Hourly (NHH) Base Support Volume*

- 2.2.1 The Scheme Administrator shall use a market level SVAA Extract, equivalent to an aggregation of all D0041 'Supplier Purchase Matrix Data File' files sent from Non Half Hourly Data Aggregators (NHHDA) to the SVAA as part of the Supplier Volume Allocation process under the BSC.
- 2.2.2 The SVAA Extract contains NHH consumption, in the form of Estimated Annual Consumptions (EACs) and Annualised Advances (AAs), per Supplier. The data is aggregated per GSP Group, Profile Class, Line Loss Factor Class, Standard Settlement Configuration (SSC) and Time Pattern Regime (TPR).
- 2.2.3 The SVAA Extract will be received from the SVAA on a daily basis for each Settlement Run Type defined in 1.3 and 1.4.
- 2.2.4 EACs and AAs will be summed to give a total yearly consumption per Supplier, per GSP Group, Profile Class, Standard Settlement Configuration (SSC) and Time Pattern Regime (TPR).
- 2.2.5 Only volume in respect of Domestic Profile Classes 1 and 2 from the SVAA Extract will be counted in the NHH Base Support Volume.
- 2.2.6 Any Unmetered Supply SSCs (428-431 and 925-928), as defined in Market Domain Data under the BSC, will be excluded from the NHH Base Support Volume calculations.

- 2.2.7 The Scheme Administrator shall use the D0018 'Daily Profile Data Report', produced for each Settlement Date by the SVAA as part of the Daily Profile Production (DPP), in order to obtain profile coefficients in order to convert from a yearly consumption per Supplier to a daily consumption.
- 2.2.8 Period Profile Class Coefficients (PPCCs) (calculated for each TPR as per BSC Section S, Annex S-2), from the D0018 will be summed up across a Settlement Date for each GSP Group, Profile Class, SSC and TPR combination.
- 2.2.9 The daily summed PPCCs for each GSP Group, Profile Class, SSC and TPR combination will be multiplied by the total yearly consumption value, to provide a NHH Support Volume for each Supplier for a given Settlement Date and Volume Allocation Run Type.

2.3 Half Hourly (HH) Support Volume

- 2.2.10 The Scheme Administrator shall use HH consumption data from the SVAA.
- 2.2.11 Only volume in respect of Consumption Component Class (CCC) Id 42 (Actual) and 45 (Estimated) only (Measurement Quantity Id 'AI', Data Aggregation Type 'H', Metered /Unmetered Indicator 'M', Consumption Component Indicator 'C', Measurement Class 'F') will be counted in the HH Base Support Volume calculation. Consumption Component Class Id details are as per BSC Section X, Annex X-2.
- 2.2.12 CCC level consumption data from the SVAA are provided from the SVAA to Suppliers in existing Elexon data flows including the D0296 'Supplier BM Unit Report'.
- 2.2.13 A daily HH Support Volume (as the sum of volume from CCC Id 42 and 45) will be calculated for each Supplier for a given Settlement Date and Volume Allocation Run Type.

3 Base Support Volume

- 3.1 The NHH Base Support Volume and HH Base Support Volume for each Supplier will be summed together to create a Base Support Volume for each Settlement Date and Volume Allocation Run Type.
- 3.2 Note, SVAA data in 1.2.2 and 1.2.3 will use the Market Participant Identifier (MPID) to denote a Supplier. The Scheme Administrator will map from an MPID for a Supplier to a BSC Party Id in respect of making one payment to a Supplier (as a Supplier may own multiple MPIDs).

4 Base Support Amount

- 4.1 The Base Support Volume (in kWh) will be multiplied by the Support Rate for the Reference Payment Class for the applicable Settlement Date to provide a Base Support Amount for a Supplier for a given Settlement Date at the II Volume Allocation Run Type.

5 Volume Reconciliation

- 5.1 In order to calculate the Volume Reconciliation, the Scheme Administrator shall re-run the Base Support Volume calculation with updated SVAA data for a Settlement Date for the given Volume Allocation Run post the II Volume Allocation Run Type.
- 5.2 The Volume Reconciliation for a Supplier for a given Settlement Date will be the difference between the Base Support Volume from a Settlement Run that is not an II Volume Allocation

Run, and the Base Support Volume from the previous Volume Allocation Run Type of the same Settlement Date (as per the BSC Settlement Calendar).

6 Volume Reconciliation Amount

- 6.1 The Volume Reconciliation (in kWh) will be multiplied by the Support Rate for the Reference Payment Class for the applicable Settlement Date to provide a Volume Reconciliation Amount for each Supplier for a given Settlement Date at all Volume Allocation Run Types that are not an II Volume Allocation Run Type.

7 RTF Adjustment Amount

- 7.1 The ad hoc amount determined in accordance with Section 9.3 of the Scheme Document and notified to the Scheme Administrator.

8 Error Reconciliation Amount

- 8.1 The sum of any ad hoc Statement Adjustment pursuant to resolution of a Statement Query.

9 Support Reconciliation Amount

- 9.1 The sum of the Volume Reconciliation Amount and any Error Reconciliation Amount.

10 Support Payment

- 10.1 The Support Payment for a Supplier will be the net of Base Support Amounts, RTF Adjustment Amount, RTF Estimation Correction Amount, CPC Adjustment Amount, Support Reconciliation Amount, and Provisional UBV Adjustment Amount for all Settlement Dates and Volume Allocation Run Types within the Support Payment Period.

- 3.5 If the New Party is incorporated in a jurisdiction other than England and Wales shall immediately provide to the Scheme Administrator and the Secretary of State an address in England and Wales for service of process on its behalf in any proceedings provided that if the New Party fails at any time to provide such address, the New Party shall be deemed to have appointed the Scheme Administrator as its agent to accept service of process on its behalf until and unless such New Party provides the Scheme Administrator and the Secretary of State with an alternative address in England and Wales for these purposes.

Schedule 5 – Energy Price Guarantee Assurance Programme (EPGAP)

In this Schedule 'Party' means each Supplier and the Scheme Administrator; 'we', 'us' and 'our' refers to the Secretary of State; and 'you' and 'your' refers to each Supplier and the Scheme Administrator.

Each Party may be required to provide the Secretary of State (the data controller) and any nominated public body or a suitably qualified professional (as per Section 11.1.5) data with information relating to consumer supplies for the purpose of monitoring performance, and conducting compliance checks with the Scheme. The Secretary of State reserves the right to audit Parties and to conduct compliance checks. This Schedule 5 does not apply to information which a Party does not (and is not required by the Scheme or law or regulation to) hold or have access to. Data collected will be used in the following circumstances:

- to analyse and review the take up, impact, performance and costs of the Scheme;
- to research the effectiveness of the Scheme and support future policy development;
- to prevent and detect crime; including the use of fraud analytics to look for unknown or undetected criminal patterns and behaviour;
- to prevent and detect error; including use of analytics to identify anomalies in payments and settlements;
- to take action to mitigate the risk of loss in relation to fraud against a Party including:
 - preventing, detecting, investigating and prosecuting fraud;
 - bringing civil proceedings as a result of fraud;
 - taking administrative action in connection with fraud.
- to take action to mitigate the risk of loss in relation to error (including overpayments) against a Party including:
 - preventing, detecting and investigation error;
 - bringing civil proceedings as a result of errors;
 - taking administrative action in connection with errors (including recovery action).

As a Party within the Scheme you may be required to submit data for the purposes stated above.

A standard data schema will include, but is not limited to, tariffs and the EPG discount applied to tariffs, meter point and customer accounts, energy consumption data, billing data and account position and postcodes. The Secretary of State will ensure that consumers' privacy is safeguarded, whilst enabling proportionate access to energy consumption data. Any changes to how consumer data is used will be communicated via a privacy notice on gov.uk which is kept under regular review. The data shall be submitted to the Secretary of State and nominated qualified professionals via a secure file transfer process as required by the Secretary of State.

The data schema may be subject to change from time to time as required by BEIS. We will give reasonable notice of any changes, to allow Suppliers / Scheme Administrator to comply with obligations.

We will, in some circumstances and where the law allows, share your data with third parties, such as other government departments and regulatory bodies.

We will share your information with third parties where:

- required or allowed by law;
- it is in the public interest to do so;
- you authorise us to do so;

- it is necessary for the performance of our functions as a government department or a function of the Crown, another government department or another public authority.

Schedule 6 – RTF estimation methodology

1. The estimate of the RTF Adjustment Amount is calculated by the following formula, subject to paragraph 2:

$$\left(\frac{\mu_{RTF}}{\mu_{BSA}} - 4\sigma \right) \times BSA$$

where

μ_{RTF} = Average of the negative RTF Adjustment Amounts notified by the Supplier to the Scheme Administrator from the Scheme Commencement Date to the time at which the Scheme Administrator makes the estimate. RTF Adjustment Amounts notified as described in Section 9.3.5(f) are counted in the average. Positive RTF Adjustment Amounts are not counted in the average.

μ_{BSA} = Average of Base Support Amounts the Supplier for Support Payment Periods (**relevant** Support Payment Periods) in respect of which RTF Adjustment Amounts were counted in μ_{RTF} .

BSA = Base Support Amount for the Support Payment Period for which the estimate is to be made

$$\sigma = \sqrt{\frac{\sum(x_i - \mu)^2}{N}} \text{ [Standard Deviation]}$$

where

\sum is the sum over relevant Support Payment Periods

i denotes a relevant Support Payment Period

N = Number of relevant Support Payment Periods

$$\mu = \frac{\mu_{RTF}}{\mu_{BSA}}$$

$$x_i = \frac{RTF_i}{BSA_i}$$

where

“ BSA_i ” is the Base Support Amount for relevant Support Payment Period i

“ RTF ” is the RTF Adjustment Amount in respect of relevant Support Payment Period i

and where, for the avoidance of doubt, RTF Adjustment Amounts are those determined in respect of Support Payment Periods in accordance with Section 9.3.1.

In the above formula, the term $\frac{\mu\text{RTF}}{\mu\text{BSA}}$ has negative sign and accordingly the estimate of RTF Adjustment Amount has negative sign.

2. If the magnitude of the estimate applying the formula in paragraph 1 would exceed BSA, the estimate shall be

(– BSA)

Schedule 7– Supplier Payment Reserve

1 Introduction

- 1.1 This Schedule applies, with effect from the Schedule Effective Date, for the purposes of ensuring that, for each Supplier and each Support Rate Period (starting with the First Support Rate Period), there is a Supplier Payment Reserve equal to the Payment Threshold Amount, to provide assurance to the Secretary of State of payment of amounts becoming due (in respect of Support Payments) from the Supplier during or after that Support Rate Period.
- 1.2 This Schedule applies in respect of each Supplier.

2 Interpretation

- 2.1 In this Schedule:

Base Minimum Threshold Amount in respect of a Supplier and a Support Rate Period means the amount calculated under paragraph 5.1(a);

First Support Rate Period means the Support Rate Period that starts on 1 July 2023;

Last Prior Period in relation to a Support Rate Period means the last Support Payment Period to start before the start of the Support Rate Period;

Minimum Threshold Amount in respect of a Supplier and a Support Payment Period means:

- (a) subject to paragraph (b), the Base Minimum Threshold Amount;
- (b) if (at the last day of the Support Payment Period) an Unremedied Non-Compliance Notice has been given to the Supplier under paragraph 5.2(d), and has not been withdrawn, the amount set out in paragraph 5.3;

Outstanding Overpayment Amount in respect of a Supplier and a Support Payment Period, means the Overpayment Amount for the Support Rate Period in which that Support Payment Period starts, reduced by the amounts (if any) in respect of Prior Support Payment Periods that have been treated as paid by application of the Supplier Payment Reserve under paragraph 4.2;

Overpayment Amount in respect of a Supplier and a Support Rate Period means the amount that it is estimated, at the start of that Support Rate Period, in accordance with Annex 1 to this Schedule, will become payable (both during and after the Support Rate Period) by the Supplier to the Secretary of State, as a result of any of the following in respect of all preceding Support Payment Periods up to and including the Last Prior Period (**preceding** Support Payment Periods):

- (c) the overestimation, by the application of the procedures in Schedule 1, of Support Period Volume and Base Support Amounts, to the extent not corrected by Volume Reconciliation Amounts in respect of any preceding Support Payment Period;
- (d) RTF Adjustment Amounts that have not been notified or otherwise counted in Support Payments in respect of any preceding Support Payment Period;

- (e) Unbilled Volume, to the extent not adjusted by Provisional UBV Adjustment Amounts in respect of any preceding Support Payment Period;

Payment Threshold Amount in respect of a Supplier and a Support Payment Period means the greater of the Outstanding Overpayment Amount and the Minimum Threshold Amount;

Prior Support Payment Period in relation to a Support Payment Period (P) means any Support Payment Period from and including the first Support Payment Period that starts in the First Support Rate Period to but not including Support Payment Period P;

Schedule Effective Date means 11 June 2023;

Supplier Payment Reserve in respect of a Supplier means a reserve, for the benefit of the Secretary of State, representing the amounts that have been withheld from payment (as Support Payments) to the Supplier or have been paid by the Supplier to the Secretary of State as provided in paragraphs 3.1, 3.2 and 3.3(a), reduced by the amounts to which the reserve is applied in accordance with paragraph 4.2, and otherwise adjusted as provided in paragraph 4.1;

3 Establishing and maintaining the Supplier Payment Reserve

- 3.1 Subject to paragraph 3.2, no amount (that would otherwise be payable) is to be paid under the Scheme Document to a Supplier in respect of any of the following Support Payment Periods:
 - (a) each Support Payment Period ending before the Schedule Effective Date for which a Support Payment Statement has not been issued at the Schedule Effective Date;
 - (b) each later Support Payment Period up to and including the Last Prior Period for the First Support Rate Period.
- 3.2 The Secretary of State may decide that all or part of an amount referred to in paragraph 3.1 in respect of a Support Payment Period shall be paid to a Supplier, if the Secretary of State considers:
 - (a) that (on the basis of amounts already withheld from payment in respect of earlier Support Payment Periods) the Supplier Payment Reserve is likely to exceed the Payment Threshold Amount;
 - (b) that the Supplier is in compliance with its obligations under Section 11.1; and
 - (c) that the withholding of payment of that amount would be likely materially to affect the solvency of the Supplier.
- 3.3 With effect from the first Support Payment Period that starts in the First Support Rate Period, no amount (that would otherwise be payable) is to be paid under the Scheme Document to a Supplier in respect of a Support Payment Period if or to the extent that the Supplier Payment Reserve is, or would as a result of such payment become, less than the Payment Threshold Amount.
- 3.4 If, in respect of the first Support Payment Period that starts in a Support Rate Period:

- (a) the Supplier Payment Reserve is less than the Payment Threshold Amount, the Supplier must pay to the Secretary of State the amount by which the Supplier Payment Reserve is less than the Payment Threshold Amount;
- (b) the Supplier Payment Reserve is greater than the Payment Threshold Amount, the Secretary of State must pay to the Supplier the amount by which the Supplier Payment Reserve is greater than the Payment Threshold Amount.

4 Supplier Payment Reserve

4.1 The amount of the Supplier Payment Reserve in respect of a Support Payment Period is determined as:

$$A + B - C - D + E$$

where

- A is the amount of all Support Payments otherwise payable to the Supplier in respect of Prior Support Payment Periods which, in accordance with paragraph 3.1 or 3.2, have not been paid to the Supplier;
- B is the sum of the amounts (if any) paid by the Supplier to the Secretary of State under paragraph 3.3(a);
- C is the sum of the amounts (if any) paid by the Secretary of State to the Supplier under paragraph 3.3(b);
- D is the sum of the amount of all Support Payments payable by the Supplier to the Secretary of State in respect of Prior Support Payment Periods;
- E is the sum of the amounts (if any) in respect of Support Payments in respect of Prior Support Payment Periods which have been paid by the Supplier to the Secretary of State under Section 10.3.3(b);

and where each of those terms is deemed to have positive sign.

4.2 If and to the extent that, in respect of a Support Payment Period:

- (a) the Supplier Payment Reserve is greater than the Minimum Threshold Amount, and
- (b) the Support Payment is an amount is payable by the Supplier to the Secretary of State

the amount standing to the credit of the Supplier Payment Reserve is applied in or towards payment by the Supplier to the Secretary of State of that Support Payment (which is treated as paid accordingly);

4.3 The Supplier is required to make payment of a Support Payment under Section 10.3.3(b) if and to the extent that the Supplier Payment Reserve is, or would (but for such payment) be less than the Minimum Threshold Amount.

5 Minimum Threshold Amount

5.1 The Base Minimum Threshold Amount in respect of a Support Rate Period is calculated as:

$$F * \sum SP / N$$

where

F is one, or such lower factor (not less than zero) as the Secretary of State may, in the absolute discretion of the Secretary of State, decide and notify to Suppliers

\sum is the sum over all relevant Support Payment Periods

SP is the Support Payment in respect of a relevant Support Payment Period

N is the number of relevant Support Payment Periods

and where a **relevant** Support Payment Period is a Support Payment Period from and including the period that started on the Scheme Commencement Date to and including the Last Prior Period for that Support Rate Period, excluding any Support Payment Period that starts in a Support Rate Period for which the Support Rate is zero.

5.2 If at any time the Secretary of State considers that a Supplier has not materially complied with its obligations under Section 11.1:

(a) the Secretary of State may give notice to that effect to the Supplier, setting out what has not been complied with and in respect of which month or months (collectively, the **non-compliance**);

(b) if the Supplier disagrees with what is stated in the notice, the Supplier may, within 5 Business Days after the date when the notice was given, send a reply to the Secretary of State setting out what it disagrees with and why;

(c) if the Supplier sends such a reply:

(i) the Secretary of State will consider such reply and may (for such period and to such extent as the Secretary of State considers reasonable) communicate further with the Supplier about the matters in the reply;

(ii) following such consideration and any further such communication, the Secretary of State will send a further notice to the Supplier:

(A) stating that the original notice remains in place; or

(B) withdrawing the original notice; or

(C) revising the original notice (in which case the non-compliance is as set out in such revised notice);

(d) if, within 10 Business Days after:

(i) the date when the Secretary of State's notice under paragraph 5.2(a) was given, or

(ii) if the Supplier send a reply under paragraph 5.2(b), the date when the Secretary of State's notice under paragraph 5.2(c)(ii) was given

the Supplier has not remedied the non-compliance to the reasonable satisfaction of the Secretary of State, the Secretary of State may give notice (**Unremedied Non-Compliance Notice**) to that effect to the Supplier and the Scheme Administrator;

- (e) if the Secretary of State gives an Unremedied Non-Compliance Notice to the Supplier, and the Supplier subsequently remedies the non-compliance to the reasonable satisfaction of the Secretary of State, the Secretary of State will withdraw the Unremedied Non-Compliance Notice by notice to the Supplier and the Scheme Administrator.

5.3 Where the Secretary of State has given and not withdrawn Unremedied Non-Compliance Notice, the Minimum Threshold Amount in respect of a Support Payment Period is:

- (a) the greater of the Outstanding Overpayment Amount and the Supplier Payment Reserve; or
- (b) such lesser amount as the Secretary of State may, in the absolute discretion of the Secretary of State, decide and specify in the Unremedied Non-Compliance Notice.

5.4 Paragraph 5.2 is without prejudice to Section 14.2.

6 End of Scheme

6.1 At a date to be determined by the Secretary of State in respect of a Supplier (or some or all Suppliers collectively), and notified to the Supplier or Suppliers, but not later than the day on which the Final Reconciliation Amount is paid, the Base Minimum Threshold Amount is set to zero (0).

7 Statements and Support Payment Statements

7.1 The Scheme Administrator or (if the Secretary of State so decides) the Secretary of State shall, as soon as reasonably practicable after the start of each Support Rate Period, determine for each Supplier and notify to the Supplier and (as the case may be) the Secretary of State or the Scheme Administrator:

- (a) the Overpayment Amount; and
- (b) the Base Minimum Threshold.

7.2 For each Support Payment Period, starting with the first Support Payment Period that starts in the First Support Rate Period:

- (a) the Scheme Administrator shall determine and include in each Support Payment Statement, for each Supplier:
 - (i) the amount of the Supplier Payment Reserve;
 - (ii) the amounts added to or deducted from the Supplier Payment Reserve since the preceding Support Payment Statement;
 - (iii) the following amounts:
 - (A) any amount which (in accordance with paragraph 3.4(a)) is payable by the Supplier to the Secretary of State;

- (B) any amount which (in accordance with paragraph 3.4(b)) is payable by the Secretary of State to the Supplier;
 - (C) any amount that (after applying paragraph 3.3) is to be paid to the Supplier;
 - (D) any amount that is to be paid by the Supplier in accordance with paragraph 4.3;
- (b) the Aggregate Support Amount shall be determined on the basis that, for each Supplier, the Support Payment for each Supplier is the amount or the sum of the amounts in paragraph (a)(ii);
- (c) Sections 10.3 and 10.4 shall apply as if references to the Support Payment for a Supplier were to the amount or the sum of the amounts in paragraph (a)(ii).

Annex – estimation calculations

Overpayment Amount: Estimation Methodology [Electricity]

1. The overpayment amount is equal to: $((E_{Vol} + E_{RTF} + E_{UBV}) \times 1.1) + MTA$
 - a. Where E_{Vol} is an estimate of the (£) amount that will not yet have been paid by/to the Secretary of State for Volume Reconciliation Amounts.
 - b. Where E_{RTF} is an estimate of the (£) amount that will not yet have been paid to the Secretary of State for Reduced Tariff Floor Amounts.
 - c. Where E_{UBV} is an estimate of the (£) amount that will not yet have been paid to the Secretary of State for Unbilled Volume Amounts.
 - d. Where MTA is the Minimum Threshold Amount.

E_{Vol}

2. E_{Vol} is a supplier-specific forecast of future volume reconciliation amounts based on past reconciliation data. If the estimation methodology described below results in a E_{Vol} below zero, the E_{Vol} will be zero.
3. Any given Volume Reconciliation Amount is made up of one or more of the following 'settlement runs'. This estimate will consider the following settlement runs:
 - a. SF
 - b. R1
 - c. R2
 - d. R3
 - e. RF
4. In the EPG process each settlement run represents settlement data relating to one month of energy consumption. Even though new data comes in more regularly, a settlement run is not deemed complete (for the purposes of EPG volume reconciliation) until the data for one calendar months' worth of consumption has been received.
5. **E_{Vol} is the sum of the estimated value of future settlement runs which have not yet occurred.**
6. The value of any given settlement run is estimated in one of two ways (depending on the data available) as set out in paragraphs 8 & 9.
7. If a settlement run for days in a given month has already started at the time of estimation, the remaining days in that month are assumed to be the average of the prior days where data has been provided. The formula is:

$$\left(\frac{SR}{d_p} \times d_r \right)$$

Where:

SR = cumulative value of the settlement run at the time

D_p = days past in that settlement run so far

D_r = days remaining for that settlement run that will not be paid before the Threshold Date.

8. If a settlement run has not yet started it is assumed that it will follow the average of previous settlement runs where full data is available. The formula is:

$$\left(\frac{\mu SR}{\mu BSA} \right) \times BSA$$

Where:

μSR = Average of the Settlement Runs of the type that is being estimated (one of SF, R1, R2, R3) for which full data is available.

μ_{BSA} = Average of Base Support Amounts of the Supplier for Support Payment Periods in respect of which Settlement Runs were counted in μ_{SR} .

BSA = Base Support Amount for the Support Payment Period(s) for which the estimate is to be made.

9. In some case the value of the BSA will not yet be known, as the relevant Support Payment Period has not yet started (or ended). In this case the Scheme Administrator should use the last available BSA for that supplier (i.e., from the previous week).
10. In the case of R3, a full month's data may not be available for the 1st estimation in July. In this case methodologies 'a' and 'b' may be combined so that $\mu_{SR} = \left(\frac{SR}{d_p} \times d_r\right)$.

E* ***RTF**

11. The estimate of the RTF Adjustment Amount is calculated by the following formula:

$$\left(\frac{\mu_{RTF}}{\mu_{BSA}} + \sigma\right) \times BSA$$

Where:

μ_{RTF} = Average of the RTF Adjustment Amounts notified by the Supplier to the Scheme Administrator from the Scheme Commencement Date to the time at which the Scheme Administrator makes the estimate. RTF Adjustment Amounts notified as described in Section 9.3.5(f) are counted in the average. Positive RTF Adjustment Amounts are not counted in the average.

μ_{BSA} = Average of Base Support Amounts the Supplier for Support Payment Periods (**relevant** Support Payment Periods) in respect of which RTF Adjustment Amounts were counted in μ_{RTF} .

BSA = Base Support Amount for the Support Payment Period for which the estimate is to be made

$$\sigma = \sqrt{\frac{\sum(x_i - \mu)^2}{N}} \text{ [Standard Deviation]}$$

Where:

\sum is the sum over relevant Support Payment Periods

i denotes a relevant Support Payment Period

N = Number of relevant Support Payment Periods

$$\mu = \frac{\mu_{RTF}}{\mu_{BSA}}$$

$$x_i = \frac{RTF_i}{BSA_i}$$

Where:

BSA_i is the Base Support Amount for relevant Support Payment Period i

RTF_i is the RTF Adjustment Amount in respect of relevant Support Payment Period i

12. If the magnitude of the estimate applying the formula in paragraph 1 would exceed BSA , the estimate shall be: (BSA)

E_{UBV}

13. The estimate of the UBV Adjustment Amount is calculated as follow:

$$EUVP_l \times ASPM_e$$

Where:

EUVP_l is:

- (i) the most recent estimate of Unbilled Volume Proportion provided by the Supplier
- (ii) if the Supplier has failed to provide such an estimate, five (5) percent or such lower proportion as the Secretary of State shall (in its absolute discretion) determine and notify the Scheme Administrator.

ASPM_e is:

- (i) the aggregate of the Support Payments paid or payable to the Supplier for each Support Payment Period that commenced during that Scheme Month, adding back any Provisional UBQ Adjustment Amounts taken into account in those Support Payments.
- (ii) If the Scheme Month has not yet started/finished then ASPM_e will be:

$$\mu SP \times 4.5$$

Where:

μSP is the average of the most recent 4 support payments adding back any Provisional UBQ Adjustment Amounts taken into account in those Support Payments.

Schedule 8 – Standing Charges Support

1 Introduction

1.1 This Schedule applies, with effect from 1 September 2023, in connection with the tariff support provided in respect of Standing Charges.

2 Base and Reduced Standing Charge

2.1 In respect of a Consumer and a Tariff Period:

- (a) the **Base Standing Charge** is the Standing Charge which (but for the Scheme) would apply, in accordance with Section 8.1(a);
- (b) the **Reduced Standing Charge** is the Base Standing Charge less the Standing Charge Support Rate which applies in relation to that Tariff Period and the Consumer Payment Class to which the Consumer belongs, subject to paragraph 2.2;
- (c) the **Standing Charge Reduction** is the Base Standing Charge less the Reduced Standing Charge.

2.2 The Reduced Standing Charge shall not be less than zero p/day (the **Reduced Standing Charge Floor**).

3 Tariff-setting requirements

3.1 Each Supplier must:

- (a) in each notice given under Section 8.2(a):
 - (i) state that the Reduced Standing Charge will be the Standing Charge under the contract, and
 - (ii) set out the Base Standing Charge, the Standing Charge Reduction and the Reduced Standing Charge;
- (b) comply with Sections 8.2(d), (e) and (g) and 8.4 as if references to Tariff, Reduced Tariff and Tariff Reduction included Standing Charge, Reduced Standing Charge and Standing Charge Reduction.

4 Standing Charge Support Payment

4.1 The **Period Standing Charge Support Payment** for a Supplier in respect of a SCSP Period (P) is calculated as:

$$\sum_D \sum_C SCR$$

where

\sum_D is the sum over days (D) in that period

\sum_C is the sum over Consumers supplied by the Supplier on a day in that period;

SCR is the Standing Charge Reduction for a Consumer and a day in that period.

- 4.2 In respect of each SCSP Period, each Supplier must, no later than the 10th day of the month following that period, send to the Secretary of State a statement, in such format as the Secretary of State may require, of the number of customers on each day in the period to which a particular Standing Charge Reduction applied and the amount of that Standing Charge Reduction.
- 4.3 The Secretary of State will determine (on the basis of the Supplier's statement) and notify to the Scheme Administrator and the Supplier the Period Standing Charge Support Payment for each Supplier for the SCSP Period.
- 4.4 The **Standing Charge Support Payment** for a Supplier
- (a) in respect of a Support Payment Period in which the Secretary of State gives the notification under paragraph 4.3 to the Scheme Administrator, is the Period Standing Charge Support Payment;
 - (b) in respect of each other Support Payment Period is zero.
- 4.5 If for any SCSP Period a Supplier fails to provide a statement in compliance with paragraph 4.2:
- (a) the Secretary of State may determine the Period Standing Charge Support Payment as zero or such other amount as the Secretary of State considers (in their discretion) appropriate having regard to any partial compliance;
 - (b) if the Supplier subsequently provides the statement, the statement will be taken into account in determining the Period Standing Charge Support Payment for a later period under paragraph 4.1(a).
- 4.6 In respect of a Statement Error that relates to a Standing Charge Support Payment:
- (a) the procedures for resolving the error in Sections 9.5.3 and 9.5.4 do not apply;
 - (b) where a Supplier or the Secretary of State considers there is such a Statement Error, they may give notice to the other to that effect, following which notice they must seek to resolve the error, and if it is resolved the Secretary of State will give notice of the Statement Adjustment (as an Error Reconciliation Amount) to the Supplier and the Scheme Administrator;
 - (c) a Party may not seek resolution of such a Statement Error as a Dispute unless it has given notice under paragraph (b) or until 15 Business Days after such notice was given.

5 Additional Support Rate

- 5.1 This paragraph 5 applies in respect of a Supplier and any of its Consumers if:
- (a) the condition in paragraph 5.2 is met; and
 - (b) the Secretary of State has (in the discretion of the Secretary of State) given notice (**Additional Support Notice**) to the Supplier setting out:

- (i) the date from which this paragraph is to apply;
- (ii) the class or classes of Consumer in respect of which this paragraph is to apply;
- (iii) that part, or a basis for determining that part, of the volume supplied to each such Consumer on each day in respect of which the higher tariff referred to in paragraph 5.2 applies (the **Higher Tariff Volume**);
- (iv) an additional support rate (the **Additional Support Rate**, in p/kWh) to apply to the Higher Tariff Volume each day;
- (v) details of the data to be sent by the Supplier to enable the Secretary of State to calculate the Additional Support Amount, the processes and timescales for sending such data, and the consequences of a failure or delay in sending any of the data;
- (vi) such other requirements to be met by the Supplier as the Secretary of State may decide are appropriate for the implementation of this paragraph 5, including for verification of the data submitted by the Supplier;

5.2 The condition is that, instead of charging a Standing Charge to a Consumer, the Supplier recovers the costs that would otherwise be recovered by a Standing Charge through a higher Unit Rate tariff in respect of a part of the volume of electricity supplied each day to the Consumer.

5.3 The Secretary of State may:

- (a) give an Additional Support Notice to a Supplier either upon request of the Supplier or where the Secretary of State determines, of the Secretary of State's own initiative, that the condition in paragraph 5.2 is met; and
- (b) where an Additional Support Notice has been given:
 - (i) change the Additional Support Rate specified in the Additional Support Notice, in respect of a Support Rate Period;
 - (ii) revoke the Additional Support Notice with effect from the start of a Support Rate Period

by notice to the Supplier given no later than the notice under Section 7.1.1 for that Support Rate Period is given.

5.4 Where an Additional Support Notice has been given to a Supplier, with effect from the date specified in the notice, and subject to any other provision in the notice:

- (a) Section 8.1(b)(ii) does not apply in respect of the relevant Consumers;
- (b) the Supplier must:
 - (i) in complying with Section 8.1(b)(i), apply the Additional Support Rate as a further reduction (in addition to the Support Rate) to the Base Tariff (being the higher tariff referred to in paragraph 5.2) in respect of the Higher Tariff Volume each day;

- (ii) comply with other Tariff-Setting Requirements on a basis that reflects paragraph (i);
- (c) provisions of the Scheme Document in respect of Reduced Tariff Floor are not applicable in respect of Additional Support Rate;
- (d) the references in Sections 9.2.4 and 9.6.6(b) to Standing Charge Support Payment include Additional Support Amount;
- (e) the Secretary of State will determine and notify to the Scheme Administrator the Additional Support Amount for each SCSP Period;
- (f) for the avoidance of doubt, the Additional Support Amount is payable to the Supplier in addition to the Base Support Amount (if any) in respect of the Higher Tariff Volume.

5.5 The **Additional Support Amount** for a SCSP Period:

- (a) is calculated as

$$\sum_D \sum_C (HTV_D * ASR)$$

where

\sum_D is the sum over days (D) in that period

\sum_C is the sum over Consumers (of the class specified in the notice) supplied by the Supplier on a day in that period;

HTV_D is the Higher Tariff Volume for a Consumer and a Day in respect of which the relevant tariff is charged, as determined by the Secretary of State in accordance with the notice;

ASR is the applicable Additional Support Rate;

- (b) is counted in the Support Payment for the Support Payment Period in which the Secretary of State gives notice under paragraph 5.4(e).

Schedule 9

1 General

1.1 If in respect of a Support Rate Period (the **relevant** Support Rate Period):

- (a) one of conditions A1, A2 and B, and
- (b) each of conditions C and D

as set out in paragraph 1.2, are met in relation to a Supplier, then certain provisions of the Scheme Document are modified or disapplied in respect of the Supplier as provided in paragraph 2.

1.2 For the purposes of paragraph 1.1:

- (a) condition A1 is that, at all times in the relevant Support Rate Period and for all of the Supplier's Consumers:
 - (i) the Base Tariff is not greater than the Reduced Tariff Floor; and
 - (ii) the Base Standing Charge is not greater than the Reduced Standing Charge Floor;
- (b) condition A2 is that, at all times in the relevant Support Rate Period and for all of the Supplier's Consumers, the Supplier complies with the Tariff-Setting Requirements and wishes not to receive financial support from the Secretary of State for doing so;
- (c) condition B is that, at all times in the relevant Support Rate Period and for all of the Supplier's Consumers, the Supplier complies with Section 8.1(b)(ii) and the Tariff-Setting Requirements as, pursuant to Schedule 8, they apply in connection with that Section, and wishes not to receive financial support from the Secretary of State for doing so;
- (d) condition C is that the Supplier has given notice (**Schedule 9 Election Notice**) to the Secretary of State in accordance with paragraph 3, specifying which of conditions A1, A2 and B is met (the **Specified Condition**) and electing the application of this Schedule in respect of the relevant Support Rate Period on that basis, and the Secretary of State has (in the discretion of the Secretary of State) accepted such notice;
- (e) condition D is that the Supplier complies with:
 - (i) the requirement (as applying in accordance with paragraph 2) to provide a Certificate of Compliance in respect of each month in the relevant Support Rate Period; and
 - (ii) where applicable, the requirement to pay the Support Repayment Amount under paragraph 3.4(b).

2 Disapplied provisions
