| Alert Number | 2312-0143 |
| Product Type | Kitchen / cooking accessories – Portable blender |
| Product Identifiers | <p>The affected units have serial numbers within the following range: 5201000000 - 5542999999.</p> <p>Consumers should enter their full serial number into the specific landing page to confirm that their portable blender is included in the recall: https://www.blendjet.com/safety</p> |
| Product Description | Portable blender with a compact battery sold in a variety of colours. The lithium-ion battery is rechargeable with a USB cable. |
| Country of Origin | Unknown |
| Counterfeit | No |
| Risk Level | Serious |
| Risk Type | Fire, Injuries |
| Risk Description | BlendJet Ltd. has detected two manufacturing defects in affected units. In certain circumstances of intensive use, a blender blade may break off, releasing a fragment, with the consequent risk of laceration of an internal digestive organ if it is swallowed. Additionally, in certain circumstances or while charging, the Printed Circuit Board (PCB) may go overhead, causing a short circuit, with the consequent risk of fire. |
| Corrective Measures | <p>Recall of the product from end users. For further information, please see the BlendJet recall notice: https://blendjet.com/safetyandrecall.</p> <p>Consumers should immediately stop using the recalled blenders and contact BlendJet for a free replacement of the BlendJet 2 base unit.</p> |
