War Pensions Constant Attendance Allowance

You may be able to get this allowance if:

- your War Pension is 80% or higher and
- you need personal help because of the conditions you receive a War Pension for.

Personal help could mean

- help with dressing, washing, shaving, eating, using the toilet, or something like this, or
- someone to keep an eye on you.

We do not count things like shopping, preparing meals, cooking or cleaning the house.

There are 4 different rates of allowance. The more help you need, the more allowance we can pay you. You can still get this allowance even if you do not pay the person looking after you.

Please answer the questions on the reply part of this letter, sign and date the declaration and return it to us as soon as possible.

War Pension Constant Attendance Allowance is normally paid from:

- the date your war pension started if you return this form within 3 months of the date on your decision letter.
- the date you asked for the form if your war pension has been in payment longer than 3 months.

Please note: If you do not return the completed form within 3 months of the date it was sent, we can only pay you from the date we receive it.
