Subject: Objection to planning for Berden Hall Solar Farm Planning Application - S62A/22/0006

[REDACTED]

Dear Sir/Madam,

This email is in reference to the planning application for land at Berden Hall Farm, Dewes Green Road, Berden – ref S62A/22/0006.

I would like it to be known that as a resident of Berden for 10 years I wholeheartedly object to the idea of ruining open countryside for the construction of a solar farm. It will utterly deface this beautiful, natural part of Essex/Hertfordshire and impact on farming land, local footpaths, wildlife habitats and also disturb the road system.

Yours, Raph de Albuquerque
