

EXPORT OF CATS AND DOGS FROM GREAT BRITAIN TO BOSNIA HERZAGOVINA

NOTES FOR THE GUIDANCE OF THE OFFICIAL VETERINARIAN AND EXPORTER

IMPORTANT

These notes provide guidance to Official Veterinarians (OV) and exporters. The Notes for Guidance (NFG) should have been issued to you together with export certificate 4298EHC. The NFG should not be read as a standalone document but in conjunction with certificate 4298EHC. We strongly suggest that exporters obtain full details of the importing country's requirements from the veterinary authorities in the country concerned, or their representatives in the UK, in advance of each consignment.

1. **SUMMARY OF REQUIREMENTS: (Refer below for more detailed information)**
 - Import permit.
 - Export health certificate issued by DEFRA.
 - A written declaration must be received from the owner/exporter stating that the said animal has been kept in Great Britain for the past six months or since birth.
 - A written declaration must be received from the owner/exporter stating that the said animal has been transported in accordance with the I.A.T.A. (International Air Transport Association Standards).
 - Examination within 48 hours of export.
2. **CERTIFICATION BY AN OFFICIAL VETERINARIAN (OV)**

This certificate may be signed by an OV appointed by the Department for Environment, Food and Rural Affairs, the Scottish Government, Welsh Government or the Department of Agriculture, Environment and Rural Affairs (DAERA) Northern Ireland, who is on the appropriate panel for export purposes or who holds the appropriate Official Controls Qualification (Veterinary) (OCQ(V)) authorisation.

OVs must sign and stamp the health certificate with the OV stamp in any ink colour **OTHER THAN BLACK**.

Certified Copy Requirements - England, Wales and Scotland

Guidance concerning return of certified copies of EHCs has changed and only specific certified copies are required to be returned to the APHA. Certifying OVs must return a certified copy of EHCs only for the following EHC types:

- if the exported commodity is cattle, pigs, sheep, goats or camelids;
- if the certificate was applied for manually and the application documents have been emailed to APHA and not applied for via the Exports Health Certificates Online (EHCO) system.

Certified copies should be emailed on the day of signature to the Centre for International Trade Carlisle (CITC) at the following address: certifiedcopies@apha.gov.uk.

For certificates that have been issued to the Certifying OV via the EHCO system, the Certifying OV must complete the certifier portal with the status of the certificate and the date of signature.

A copy of all EHCs and supporting documentation certified must be retained for two years.

Certifying OVs are not required to return certified copies of other EHCs issued, however CITC may request certified copies of EHCs and supporting documentation in order to complete Quality Assurance checks or if an issue arises with the consignment after certification.

DAERA Export Health Certificates: Provision of certified copies

aPVPs certifying DECOL produced Export Health Certificates must return a legible, scanned copy of the final EHC to the relevant DAERA Processing Office within 1 working day of signing.

Good quality photographic copies will be accepted by the department, where obtaining a scanned copy is not feasible - for example, where 'on site' certification is undertaken and scanning facilities are not available.

For record purposes, a copy of the final Export Health Certificate and associated Support documents should be retained by the aPVP for a period of 2 years from the date of certification.

The Department will carry out periodic audits of all aspects of export certification to ensure that a high standard of certification is being maintained.

3. IMPORT PERMIT

It is the responsibility of the exporter to obtain an import permit from the veterinary authorities in Bosnia Herzegovina. The address of the veterinary authorities in Bosnia is as follows: British Embassy, 8, Tina Ujevica, Sarajevo, Bosnia Herzegovina, Telephone: 00 387 71 663 922, facsimile 00 387 71 666 131.

4. TRAVELLING THROUGH OTHER COUNTRIES

It is the responsibility of the exporter/agent to apply to the relevant authorities of the countries through which the animal(s) will travel for permission to transport the animals through these countries. Additional health certificate(s) may be necessary for these transit countries.

5. NOTIFIABLE DISEASE CLEARANCE

Official Veterinarians may certify paragraphs IV(c) on behalf of the Department provided written authority to do so has been obtained from the APHA Centre for International Trade, Carlisle or from the issuing office of DAERA in Northern Ireland on form 618NDC.

6. WELFARE DURING TRAVEL

Exporters and transporters must comply with all the legislation for the welfare of live animals during transport. The welfare conditions required during transport, are set out in Council Regulation EC No 1/2005 (as retained), implemented in England by The Welfare of Animals (Transport) (England) Order 2006, with parallel legislation in Scotland and Wales.

If transported by air, animals should also be transported in accordance with International Air Transport Association (IATA) standards.

Information about welfare during transport in Great Britain and the necessary requirements can be obtained from the Animal and Plant Health Agency: Welfare in Transport Team
