Dear Ministers

**Preparations for the Digital Markets competition regime**

Further to your letter of 4 January and our response, we have prepared a document describing the CMA's current plans and preparations for implementing the Digital Markets competition regime provided for by Part 1 of the Digital Markets, Competition and Consumers Bill.

As noted in our earlier letter, the CMA's position outlined here will evolve as the Bill continues its passage through Parliament and as we continue our stakeholder engagement and to develop our thinking.

We hope this information is useful to you, Parliamentarians and other stakeholders. We look forward to continuing to support the passage of the Bill.

Yours sincerely
