## JUDGMENT

The claim is dismissed.

### Reasons

1. There had been a failure by the Claimant to attend or be represented at the hearing.
2. The claim is dismissed after:
  - a. considering the information on the Tribunal file, noting that the Claimant had not complied with the direction from Judge Harfield dated 28 November 2023 or direction from Judge Brace of 29 December 2023 and therefore there was no information on file on which a determination could be made on the papers; and
  - b. attempts having been made to contact by telephone the Claimant at 2.00pm when she indicated that she believed the hearing was listed for the following day and that she would attempt to join.
  - c. By 2.30pm the Claimant had not joined the hearing.

3. I act in accordance with my powers under Rule 47 of the Employment Tribunal's Rules of Procedure 2013.
