

NOTES FOR GUIDANCE (NFG) FOR OFFICIAL VETERINARIANS AND EXPORTERS

This document should not be read as a standalone document but in conjunction with 9067EHC.

Scope of the certificate

This certificate may be issued for the export of bird samples where the certification takes place in Wales, Scotland or England, i.e. Great Britain only.

This certificate may be used for samples taken under veterinary supervision from wild birds or from captive birds.

A note on the English text and translation:

Please note that this certificate is taken from an English translation provided by the Italian Authorities and the English text is therefore constrained by their model certificate.

Exporting Country

Although the certificate has been prepopulated with UNITED KINGDOM, this certificate should and can only be issued for animals that are certified in England, Scotland and Wales (i.e. Great Britain).

Certification

The basic principles of certification apply and although this is not a harmonised EU level EU entry certificate, the general requirements that the EU specifies for its harmonised certificates should be followed.

IV Health Attestation

'quarantine' - this needs to be understood as official restrictions.

Disclaimer: This certificate is provided on the basis of information available at the time, and may not necessarily comply fully with the requirements of the importing country. It is the exporter's responsibility to check the certificate against any relevant import permit or any advice provided by the competent authority in the importing country. If these do not match, the exporter should contact the APHA Centre for International Trade, Carlisle via the link below:
